Time, She ' ll Be Dead is the one book you should read. " —Gloria Steinem At least 1 in 4 women will be abused during her lifetime—that is 25% of our mothers, daughters, sisters, partners, and friends. Thousands will be killed. As author Ann Jones observes, despite its devastation battering is regarded not as a serious crime, but instead as an inevitable " problem " blandly labeled " domestic violence. " Stories of household assaults and murders are all over the news, but the blame is usually pinned on the woman who is said to have either provoked the attack or failed to " leave. " In this groundbreaking book, Jones points instead to the many factors in society that promote, trivialize, and perpetuate brutality against women: from popular psychology, academic " expertise, " mass media, and pop culture, to the criminal justice system and the law itself. Delving deep into the history, legality, and personal politics of male violence against wives and girlfriends, Next Time, She ' ll Be Dead fearlessly reframes the issue. This critically acclaimed masterwork offers productive ways of thinking and speaking about battering and explains what must be done to stop it.

My Story

In July 1998, GOD approached a man, to assist GOD and channel his will into the written word. This book is the result of that conversation. GOD is responsible for the flow, topics

and discussions. The man simply wrote what GOD spoke and what thoughts he received. "GOD is speaking - Are you listening? My Story" is GOD'S full disclosure to his human family, including his laws of Life and Death. He speaks to Steve as a friend. That is, a friend of GOD'S, chosen by GOD. The fact that anyone would be allowed to hear his voice is astonishing. In this day and age of miracles, is it so far fetched not to believe? He speaks to Steve of his world...Heaven. He speaks of his Love for his human family. GOD tells it like he sees it. No soft touch, no political correctness, just the plain truth, GOD'S Truth. July 5th 1998 4:00 P.M. I AM the GOD of ALL. The reason for this writing is that the stories I AM about to unfold to you, through my friend Steve, are stories to teach, inspire and to create hope. Hope, in that when you greet me in my Heavenly Kingdom, you will have a better understanding, appreciation and moral imperatives, necessary to the alleviation of your guilt. I AM in the world as a spirit of Love, hope, divine inspiration and most of all understanding. I have tried to conquer you, and your fears, by sending messengers to your world, Moses, Abraham, Isaac and Jesus the Christ. I have been alive 50 million of your Earth years and the stories I AM about to tell you are just one of many, told countless times in my Kingdom.
