Learn Korean More Effectively with Our Core Grammar Lessons! From saying the basic greetings, to counting numbers, and to having simple yet natural conversations in Korean, you can learn the basics of the Korean language with this textbook.

This is a thoroughly revised edition of Integrated Korean: Intermediate 1, the third volume of the best-selling series developed collaboratively by leading classroom teachers and linguists of Korean. All the series' volumes have been developed in accordance with performance-based principles and methodology—contextualization, learner-centeredness, use of authentic materials, usage-orientedness, balance between skill getting and skill using, and integration of speaking, listening, reading, writing, and culture. Grammar points are systematically introduced in simple but adequate explanations and abundant examples and exercises. Each situation/topic-based lesson of the main texts consists of model dialogues, narration, new words and expressions, vocabulary notes, culture, grammar, usage, and English translation of dialogues. In response to comments from hundreds of students and instructors of the second edition, this new third edition features an attractive color design with new photos and drawings and lesson and vocabulary exercises that have been fully reorganized. Each lesson contains a conversational text (with its own vocabulary list) and a reading passage. The accompanying workbook provides students with extensive skill-using activities based on the skills learned in the main text. Integrated Korean is a project of the Korean Language Education and Research Center (KLEAR) with the support of the Korea Foundation. In addition to the five-level Integrated Korean textbooks and workbooks, volumes include Korean Composition, Korean Language in Culture and Society, Korean Reader for Chinese Characters, Readings in Modern Korean Literature, A Resource for Korean Grammar Instruction, and Selected Readings in Korean. Audio files for this volume may be downloaded in MP3 format at <https://kleartextbook.com>

This is a thoroughly revised edition of Integrated Korean: Intermediate 2, the fourth volume of the best-selling series developed collaboratively by leading classroom teachers and linguists of Korean. All the series' volumes have been developed in accordance with performance-based principles and methodology—contextualization, learner-centeredness, use of authentic materials, usage-orientedness, balance between skill getting and skill using, and integration of speaking, listening, reading, writing, and culture. Grammar points are systematically introduced in simple but adequate explanations and abundant examples and exercises. Each situation/topic-based lesson of the main texts consists of model dialogues, narration, new words and expressions, vocabulary notes, culture, grammar, usage, and English translation of dialogues. In response to comments from hundreds of students and instructors of the first edition, this new edition features a more attractive two-color design with all new photos and drawings and additional exercises that focus on vocabulary and grammar. Lessons are now organized into two main sections, each containing a conversational text (with its own vocabulary list) and a reading passage. The accompanying workbook, newly written, provides students with extensive skill-using activities based on the skills learned in the main text. Integrated Korean is a project of the Korean Language Education and Research Center (KLEAR) with the support of the Korea Foundation. In addition to the five-level Integrated Korean textbooks and workbooks, volumes include Korean Composition, Korean Language in Culture and Society, Korean Reader for Chinese Characters, Readings in Modern Korean Literature, Selected Readings in Korean, and A Resource for Korean Grammar Instruction.

Advanced Intermediate 2

Beginning 2, Second Edition

High Intermediate 2

Elementary Korean

Elementary Korean offers a complete, systematic and streamlined first-year course in Korean for the English-speaking adult learner.

Music Fundamentals: A Balanced Approach, Third Edition combines a textbook and integrated workbook with an interactive website for those who want to learn the basics of reading music. Intended for students with little or no prior knowledge of music theory, it offers a patient approach to understanding and mastering the building blocks of musical practice and structure. Musical examples range from Elvis Presley songs to Filipino ballads to Beethoven symphonies, offering a balanced mixture of global, classical, and popular music. The new edition includes: Additional vocabulary features and review exercises Additional musical selections and 1-, 2-, or 3-hand rhythmic exercises The addition of guitar tablature A revised text design that more clearly designates the different types of exercises and makes the Workbook pages easier to write on An improved companion website with added mobile functionality The author's balanced approach to beginning music theory engages student interest while demonstrating how music theory concepts apply not only to the Western classical canon but also to popular and world music. With the beginner student in mind, Music Fundamentals: A Balanced Approach, Third Edition is a comprehensive text for understanding the foundations of music theory. Advanced Korean offers a complete, systematic, and streamlined third-year course in Korean. It is ideal for university students and adult learners with plentiful reading texts and written exercises, all in Korean Hangul. Concise Korean grammar notes in English, extensive glossaries, and an answer key make this book suitable for those studying alone, as well as for classroom use. There are 20 comprehensive lessons, each with a reading text in which new language is introduced in context, followed by vocabulary, grammar points, and exercises. Lessons 5, 10, 15 and 20 are short reviews of the key structural patterns introduced. The focus is on written Korean, but the reading texts are not academic, they are breezy, chatty, and amusing, with illustrations. The textbook comes with a free CD-ROM entitled Sino-Korean Companion, a supplement for those learners wishing to commence the study of Chinese characters as they are used in the Korean language. The 20 lessons on the CD-ROM build on the content of the lessons in the main textbook to introduce 500 Chinese characters in their Sino-Korean readings. The emphasis is on giving students the tools they need to decipher unfamiliar Chinese characters on their own, and also on Sino-Korean vocabulary acquisition. Each lesson introduces approximately 25-30 new Chinese characters along with related vocabulary items and builds on previous characters and vocabulary introduced, demonstrating the cumulative effect on one's vocabulary of paying systematic attention to Sino-Korean. University of Hawai'i Press' online catalog at [www.Uhpress.Hawaii.Edu](http://www.Uhpress.Hawaii.Edu) contains links to online audio files for all of the texts listed below.

24 Steps to Success! Disciplined Entrepreneurship will change the way you think about starting a company. Many believe that entrepreneurship cannot be taught, but great entrepreneurs aren't born with something special — they simply make great products. This book will show you how to create a successful startup through developing an innovative product. It breaks down the necessary processes into an integrated, comprehensive, and proven 24-step framework that any industrious person can learn and apply. You will learn: Why the “ F ” word — focus — is crucial to a startup's success Common obstacles that entrepreneurs face — and how to overcome them How to use innovation to stand out in the crowd — it's not just about technology Whether you're a first-time or repeat entrepreneur, Disciplined Entrepreneurship gives you the tools you need to improve your odds of making a product people want. Author Bill Aulet is the managing director of the Martin Trust Center for MIT Entrepreneurship as well as a senior lecturer at the MIT Sloan School of Management. Why is cloning wrong? Does the Bible say a divorced person can remarry? Can angels sin? Is body piercing wrong? Can demons read our thoughts? Dr. Elmer Towns, author of over 80 books and Dean of Liberty University's School of Religion, answers these and many other questions you have wondered about. Written for the new Christian too embarrassed to ask, and for the long-time Christian who still has unanswered questions, this one-volume, indexed resource provides the kind of responses your own pastor would give as you're shaking hands after the Sunday morning sermon—short, knowledgeable, and to the point. Topics covered include: Politics The Bible, The Holy

Spirit, and Angels Creation Demons and the Devil · God's Names Prayer, Salvation, and Sin If you have questions—and who doesn't—Bible Answers for Almost All Your Questions is an essential resource.

This accessible textbook is the only introduction to linguistics in which each chapter is written by an expert who teaches courses on that topic, ensuring balanced and uniformly excellent coverage of the full range of modern linguistics. Assuming no prior knowledge the text offers a clear introduction to the traditional topics of structural linguistics (theories of sound, form, meaning, and language change), and in addition provides full coverage of contextual linguistics, including separate chapters on discourse, dialect variation, language and culture, and the politics of language. There are also up-to-date separate chapters on language and the brain, computational linguistics, writing, child language acquisition, and second-language learning. The breadth of the textbook makes it ideal for introductory courses on language and linguistics offered by departments of English, sociology, anthropology, and communications, as well as by linguistics departments.

Intermediate  
Textbook, simplified characters. Level 1, part 1  
24 Steps to a Successful Startup  
Intermediate Korean

Korean is the seventh most commonly spoken language in the United States, and Korean heritage students those with some proficiency in or a cultural connection to the language through family or community make up a substantial portion of Korean learners at the college level. Many schools offer a separate heritage track for learning Korean, but until now there has been no textbook designed specifically for heritage learners as well as the increasing number of students from diverse backgrounds who are interested in pursuing intensive learning to build on their prior experience with Korean. Integrated Korean: Accelerated 1 and 2 directly address the linguistic needs and abilities of heritage and accelerated learners in a single academic year. Volume 1 presents lessons on thematically organized subjects, starting with familiar topics such as family, friends, daily routines, schoolwork, campus activities, dining out, and shopping. Volume 2 advances to more formal subjects beyond family and friends, such as travel, transportation, housing, holidays, lifestyles, careers, and Korean history and culture. Students approach the lessons with multilevel communicative classroom activities and reading materials with standards-based exercises and projects that not only focus on the particular language requirements of heritage learners, but also encourage them to participate more fully in their own family and community life. Each volume's textbook and workbook offer authentic conversations and texts in both informal and formal contexts, structured tasks, and a wealth of interesting and relevant cultural content. Integrated Korean is a project of the Korean Language Education and Research Center (KLEAR) with the support of the Korea Foundation. In addition to the five-level Integrated Korean textbooks and workbooks, volumes include Korean Composition, Korean Language in Culture and Society, Korean Reader for Chinese Characters, Readings in Modern Korean Literature, A Resource for Korean Grammar Instruction, and Selected Readings in Korean. Audio files for Accelerated Korean may be downloaded in MP3 format at <https://kleartextbook.com>.

This intermediate level text has been developed in accordance with performance-based principles, contextualization, use of authentic materials, function/task-orientedness, and balance between skill getting and skill using. Each topic covers punctuation, grammar and new words and expressions.

NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally

make the words stick. “ A brilliant and thoroughly modern guide to learning new languages. ” —Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Guitar Zero* At thirty years old, Gabriel Wyner speaks six languages fluently. He didn't learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he's discovered. Starting with pronunciation, you'll learn how to rewire your ears and turn foreign sounds into familiar sounds. You'll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you'll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you'll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.

The first volume of its kind to treat specifically the critical role of language in Korean culture and society. An introductory chapter provides the framework of the volume, defining language, culture, and society and their interrelatedness and presenting an overview of the Korean language vis-à-vis its culture and society from evolutionary and dynamic perspectives.

Intermediate 2, Second Edition  
Accelerated 2

An Introduction to Language and Linguistics  
Level 1 Korean Grammar Textbook  
中文听说读写

This book accompanies KLEAR's Integrated Korean text series. It contains nearly 1,000 activities on 160 of the most commonly used grammar patterns for beginning and intermediate levels, all sorted by alphabetical order, as well as topics for comprehensive grammar instruction using an interactive approach. Nearly 40 practical activities and lesson ideas for advanced levels are also included. These activities are sorted by skill orientation (e.g., speaking-oriented, reading-oriented, etc.), which will allow them to be used with any Korean-language textbook published in the U.S., Korea, or elsewhere. Instructors who teach Korean as a foreign language in colleges, secondary schools, and community schools and even as private tutors will welcome the easy-to-use grammar activities, which provide practical guidelines for both new and experienced teachers. These lessons reflect the current trend among Korean-language learners in U.S. universities, where, traditionally, primary learners were students of Korean heritage. In recent years, the number of non-heritage learners has increased and thus, to meet their needs, activities with different degrees of difficulty are provided for each grammar pattern and topic enabling instructors to select those most suitable to their students' needs. A Resource for Korean Grammar Instruction is divided into two main parts: 1) activities by forms for beginning and intermediate levels; and 2) activities by skill for more advanced levels. The first part includes greetings and Hangul, sentence endings, clausal endings, other suffixes, particles, and more. The second covers vocabulary-oriented activities, speaking/listening activities, reading-oriented activities, and writing-oriented activities. Supplementary instructional materials such as Power Point presentations, video clips, photos and images, and sample quizzes are available free for download at [www.kleartextbook.com](http://www.kleartextbook.com) under the Instructor section after a simple login.

Comprehensive workbook to accompany text. With various exercises. Suitable for self-study, building vocabulary, and developing writing and grammar skills.

The revised second edition of Basic Korean: A Grammar and Workbook is an accessible reference grammar and workbook in one volume. The text can be used in conjunction with any primary textbook, both as a practice book to reinforce learning and as a reference guide to the basics of Korean grammar. This book is comprised of 26 units covering key aspects of Korean grammar students would expect to encounter in their first year learning the language. Grammatical descriptions are followed by examples and exercises which allow students to reinforce and consolidate their learning. This new edition has been updated and enhanced to include more varied exercises and contemporary vocabulary and dialogues. Clearly presented and user-friendly, Basic Korean provides readers with the essential tools to express themselves in a wide variety of situations, making it an ideal reference grammar and practice resource for both beginners and students with some knowledge of the language.

The best-selling Integrated Korean textbook series from KLEAR is developed collaboratively by leading classroom teachers and linguists of Korean. All series' volumes have been developed in accordance with performance-based principles and methodology—contextualization, learner-centeredness, use of authentic materials, usage-orientedness, balance between skill getting and skill using, and integration of speaking, listening, reading, writing, and culture. Grammar points are systematically introduced in simple but adequate explanations and abundant examples and exercises. Each situation/topic-based lesson of the main texts consists of model dialogues, narration, new words and expressions, vocabulary notes, culture, grammar, usage, and English translation of dialogues. In response to comments from hundreds of students and instructors of the first edition, this new edition features a more attractive two-color design with all new photos and drawings and an additional lesson and vocabulary exercises. Lessons are now organized into two main sections, each containing a conversational text (with its own vocabulary list) and a reading passage. The accompanying workbook, newly written, provides students with extensive skill-using activities based on the skills learned in the main text.

A Balanced Approach  
A Resource for Korean Grammar Instruction  
Longman Student Grammar of Spoken and Written English  
College Prep Genius Workbook
