The Complete Canadian Car Guide  
The Facts, the Figures, the Knowledge

As U.S. and Canadian automakers and dealers face bankruptcy and Toyota battles unprecedented quality-control problems, Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. Phil Edmonston, Canada's automotive "Dr. Phil" for more than 40 years, pulls no punches. In this all-new guide he says: Chrysler's days are numbered with the dubious help of Fiat. Electric cars and ethanol power are PR gimmicks. Diesel and natural gas are the future. Be wary of "zombie" vehicles: Jaguar, Land Rover, Saab, and Volvo. Mercedes-Benz – rich cars, poor quality. There's only one Saturn you should buy. Toyota – enough apologies: "when you mess up, fess up." This pocket-sized, illustrated guide covers every significant make and model of car sold in Europe and North America during the 2006-2007 model year, from giants like Ford and VW to small-scale manufacturers such as Morgan and Noble. Each model is pictured in color, with a data table providing vital statistics to

What Could Possibly Go Wrong... is the sixth book in Jeremy Clarkson's bestselling The World According to Clarkson series.

No one writes about cars like Jeremy Clarkson. While most correspondents are too busy diving straight into BHP, MPG and MPH, Jeremy appreciates that there are more important things to life. Don't worry, we'll get to the cars. Eventually. But first we should consider: · The case for invading France · The overwhelming appeal of a nice sit-down · The inconvenience of gin and tonic · Why clothes are no better than ice cream · Spot-welding with the Duchess of Kent · And why Denmark is the best place in the world Armed only with conviction, curiosity, enthusiasm and a stout pair of trousers, Jeremy hurtles around the world - along motorway, autoroute, freeway and autobahn - in search of answers to life's puzzles and ponderings without forethought or fear for his own safety. What, you have to ask, could possibly go wrong... Praise for Clarkson: 'Brilliant... laugh-out-loud' Daily Telegraph 'Outrageously funny... will have you in stitches' Time Out 'Very funny . . . I cracked up laughing on the tube' Evening Standard Jeremy Clarkson began his career

on the Rotherham Advertiser. Since then he has written for the Sun, the Sunday Times, the Rochdale Observer, the Wolverhampton Express & Star, all of the Associated Kent Newspapers and Lincolnshire Life. Today he is the tallest person working in British television.

For the first time in one volume, Phil Edmonston, Canada's automotive "Dr. Phil," covers all used vehicles, packing this guide with insider tips to help the consumer make the safest and cheapest choice possible from cars and trucks of the past 25 years.

At the Car Show

New Car Buying Guide

RX-7 Mazda's Rotary Engine Sports Car

This book was written completely by a 6 year old. There are lots of pictures of cars. He done the photography also. AT THE CAR SHOW is one boy's perspective of what he saw while at a local small town car show. This is a good way to get the reluctant reader interested. This author of this book is from Nebraska and looks forward to his next publication.

Steers buyers through the the confusion and anxiety of new and used vehicle purchases like no other car-and-truck book on the market.

" Dr. Phil, " along with George Iny and the Editors of the Automobile Protection Association, pull no punches.

Canada ' s automotive "Dr. Phil" says there ' s never been a better time to buy a new car or truck. For deals on wheels, 2013 will be a "perfect storm." There ' s never been a better time to buy a new car or truck, thanks to a stronger Canadian dollar, a worldwide recession driving prices downward, and a more competitive Japanese auto industry that ' s still reeling from a series of natural disasters. In addition to lower prices and more choices, 2013 car buyers will see more generous cash rebates, low financing rates, bargain leases, and free auto maintenance programs. Buy, sell, or
