By 250 AD, Christianity had spread throughout  
India and China. Known as the Shining  
Religion or the Luminous Teaching, it drew  
adherents from Buddhism and Hinduism who  
were seeking a faith that taught the possibility  
of achieving a society founded on love and  
compassion for their fellow man. The new  
doctrine reached the island nation of Japan  
where it was so well received that Christianity  
threatened to supplant Buddhism as the  
dominant religion. By the close of the 16th  
century Japanese Christians numbered in the  
millions. Fifty years later Christianity was  
officially proscribed and Christians faced  
execution for openly practicing their faith. Jesus  
and the Samurai tells their fascinating story  
with facts drawn from ancient and modern  
sources.
