PandoraHearts ~Caucus Race~

PandoraHearts ~Caucus Race~, Vol. 1 (light novel)

Once, following the tragedy of Sablier, Jack Vessalius made a valiant sacrifice to stop his best friend, Glen Baskerville, by allowing his body to anchor a set of seals by which Glen's soul was confined. But now these seals, long guarded by mages under the watchful gaze of Pandora, are being smashed one by one at the hands of the Crimson Shinigami, whose aim is to return their master to his once-whole state. And so, the fragile peace achieved over the last century begins to writhe, like a horror released from Pandora's forbidden box...

"The answer you seek lies within them." Oz Vessalius may have survived his stint in the Abyss, but he is no closer to discovering the truth behind the "sin" for which he was condemned. On the advice of a mysterious man who appeared to him when Alice regained the first of her memories, Oz, along with Alice and Pandora's Raven, embarks on a mission to investigate the site of his disastrous coming-of-age ceremony in search of answers. However, what begins as a simple investigation becomes the revelation of a harsher reality, which comes swooping down on Oz as the hands of the clock continue ticking away mercilessly...

The past holds everyone in its thrall, and Oz, Alice, Raven, Break, and their acquaintances are no exception, especially as recollections of the tragedy of Sablier elude even those who were present. Indeed, with his own body playing host to Jack Vessalius, the hero of Sablier, the likelihood of Oz escaping the past seems nigh impossible. But given a renewed lease on life by Elliot Nightray - the legitimate heir to the Nightray dukedom, of all people - Oz is eager to keep moving forward by learning all that he can about the events that came to pass all those years ago. To this end, he and his friends seek an audience with another of the four great dukes - Duke Rufus Barma. But it is not a glimpse into a hundred-year-old disaster that is revealed to them in the Duke's presence, but rather one into Break's lamentable, shockingly unforgettable past...

Just when it seems the tragedy of Sablier is on the verge of recurring at Isla Yura's residence, the sinister blade of the Headhunter swings once more. From the darkness where the mysteries of Fianna's House and Humpty Dumpty converge, one truth will come to light: an unmoving reality that is itself so shocking, it seems like an illusion...Will Oz and his allies ever recover?

Intimate Landscape

Soul Eater

Within these pages, four fairy tales unfold, each peering into one of the houses of the four great dukedoms: Vessalius, Rainsworth, Barma, and Nightray. Shifting among present, past, and future, these stories link to each other like a wheel, traveling to and fro in a never-ending ring between the everyday and the extraordinary. Inside this ring, the protagonists take off at a gallop. Caucus race: A race that is run within a circle, any which way one likes. A race with no goal. Who will be the winner? Look deeper into the world of PandoraHearts with this first ever novelization based on the work of the New York Times bestselling manga creator Jun Mochizuki, illuminated by special manga shorts drawn by Mochizuki herself...

Deep within the bowels of Paris, No é and Vanitas race through the catacombs with an elite team of Chasseurs, the Church's anti-vampire unit, in hot pursuit. Their search for the missing vampires takes the pair down a path all too familiar to Vanitas, bringing them face-to-face with not only an overwhelming curse-bearer but also Vanitas's past. Confronted by the horrific menace, what will No é and Vanitas fight for, and whom will they save...?

The pathetic farce that has unfolded in earnest is no more than an absurd yarn spun by the man who caused the Tragedy of Sablier by following his heart's desires. The players in his tale begin dancing with abandon, their emotions bottled up inside, as though they are marionettes manipulated by a master puppeteer...

The Beast of G é vaudan is put to rest once and for all as Chlo é makes peace with her truest desire—but Vanitas ' s troubles continue as both he and Jeanne are struck with certain... ailments of the heart! There ' s no time for him to dwell on this rather unwelcome development, though, as Domi is swept away in the machinations of a phantom from his past...

Pandora hearts

Someone once said that all they would find there was darkness that swallowed everything whole. But that never meant that light was nowhere to be found-- They finally arrive at an answer to the question of how to save their world. It is the product of many months, even years. Cruel yet kind, it is a simple formula. Now, led on by the cogs of destiny, it spells the end of but one story...as if it were no more than a ridiculous fairy tale.

Vessalius makes his high-society debut at the manor of Isla Yura intending to investigate the potential location of one of the stone seals that Pandora seeks. But over the festivities and the secrets that swirl behind the masks of the merrymakers hangs a cloying scent of intrigue. And when the blood-blackened hand of a demon unexpectedly descends on those gathered, a waltz of madness begins... as if heralding anew an all-too-familiar tragedy...

Kid has been freed from Noah's greedy clutches, but The Book of Eibon remains at large. Noah was a troublesome foe, but the vast knowledge contained within the book could itself be dangerous - and information is not all that lies in its pages... Meanwhile, Crona has resurfaced in Moscow, his madness and Medusa's maternal pressure having all but consumed the friend Maka once knew. The question is how many will be devoured by Crona's madness before he can be stopped?!

The air of celebration surrounding fifteen-year-old Oz Vessalius's coming-of-age ceremony quickly turns to horror when he is condemned for a sin about which he knows nothing. He is thrown into an eternal, inescapable prison known as the Abyss from which there is no escape. There, he meets a young girl named Alice, who is not what she seems. Now that the relentless cogs of fate have begun to turn, do they lead only to crushing despair for Oz, or is there some shred of hope for him to grasp on to?
