From ancient Mesopotamia to today, the epic story of how humans have used laws to forge civilizations Rulers throughout history have used laws to impose order. But laws were not simply instruments of power and social control. They also offered ordinary people a way to express their diverse visions for a better world. In *The Rule of Laws*, Oxford scholar Fernanda Pirie traces the rise and fall of the sophisticated legal systems underpinning ancient empires and religious traditions, while also showing how common people—tribal assemblies, merchants, farmers—called on laws to define their communities, regulate trade, and build civilizations. Although legal principles originating in Western Europe now seem to dominate the globe, the variety of the world ' s laws has long been almost as great as the variety of its societies. What truly unites human beings, Pirie argues, is our very faith that laws can produce justice, combat

oppression, and create order from chaos. Spanish language text features student-centered instruction, attention to all four language skills, contextualized vocabulary, and an integrated approach to culture. Junior-senior high level.

Your students join Lola Lago, a private detective in Madrid, as she investigates the theft of jewelry from dona Gracia. And no one can find Maria! This 10-episode "whodunit" is easily comprehensible to first-year Spanish students. It is recommended that students begin viewing the video in the middle of the first year. Filmed in Madrid, each episode is approximately eight minutes in length. The VHS package contains 5 cassettes and the DVD package contains 2 discs. Each package includes the Teacher's Video Guide with videoscripts and teaching suggestions. The activities in the *Eres tu, Maria?* Video Workbook are different than those in the REALIDADES B or 1 Student Edition.

Textbooks are symbols of centuries-old education. They're often outdated as soon as they hit students' desks. Acting "by the textbook" implies compliance and a lack of creativity. It's time to ditch those textbooks--and those textbook assumptions about learning In *Ditch That Textbook*, teacher and blogger Matt Miller encourages educators to throw out meaningless, pedestrian teaching and learning practices. He empowers them to evolve and improve on old, standard, teaching methods. *Ditch That Textbook* is a support system, toolbox, and manifesto to help educators free their teaching and revolutionize their classrooms.

This new series uses a simple approach to help kids master the basics of the Spanish language including sentence structure, vocabulary, pronunciation, and verbs. Common items such as food, time, greetings, and places introduce students

to beginning sentence structure. Each 80-page book is packed with activities that will teach sight reading and translation skills. Activities include picture labeling, writing practice, matching exercises, and fill-in-the-blanks. These books provide different levels to accommodate every elementary student.

All But My Life is the unforgettable story of Gerda Weissmann Klein's six-year ordeal as a victim of Nazi cruelty. From her comfortable home in Bielitz (present-day Bielsko) in Poland to her miraculous survival and her liberation by American troops--including the man who was to become her husband--in Volary, Czechoslovakia, in 1945, Gerda takes the reader on a terrifying journey. Gerda's serene and idyllic childhood is shattered when Nazis march into Poland on September 3, 1939. Although the Weissmanns were permitted to live for a while in the basement of their home, they were eventually separated and sent to German labor camps. Over the next few years Gerda experienced the slow, inexorable stripping away of "all but her life." By the end of the war she had lost her parents, brother, home, possessions, and community; even the dear friends she made in the labor camps, with whom she had shared so many hardships, were dead. Despite her horrifying experiences, Klein conveys great strength of spirit and faith in humanity. In the darkness of the camps, Gerda and her young friends manage to create a community of friendship and love. Although stripped of the essence of life, they were able to survive the barbarity of their captors. Gerda's beautifully written story gives an invaluable message to everyone. It introduces them to last century's terrible history of devastation and prejudice, yet offers them hope that the effects of hatred can be overcome.
