Instead of presenting a dull laundry list of concepts, this book provides the source code to several fun programming projects for adults and young adults.

Takes a humorous look at the idiosyncrasies of American life

Winner of the Alex Award "Mike Muñoz Is a Holden Caulfield for a New Millennium--a '10th-generation peasant with a Mexican last name, raised by a single mom on an Indian reservation' . . . Evison, as in his previous four novels, has a light touch and humorously guides the reader, this time through the minefield that is working-class America." --The New York Times Book Review For Mike Muñoz, life has been a whole lot of waiting for something to happen. Not too many years out of high school and still doing menial work--and just fired from his latest gig as a lawn boy on a landscaping crew--he's smart enough to know that he's got to be the one to shake things up if he's ever going to change his life. But how? He's not qualified for much of anything. He has no particular talents, although he is stellar at handling a lawn mower and wielding clipping shears. But now that career seems to be behind him. So what's next for Mike Muñoz? In this funny, biting, touching, and ultimately inspiring novel, bestselling author Jonathan Evison takes the reader into the heart and mind of a young man determined to achieve the American dream of happiness and prosperity--who just so happens to find himself along the way. They say love doesn't hurt. But it's a lie. I

promise you, love someone long enough, and they'll destroy your soul. I've spent my life taking care of everyone else: my family, my ex-husband, my friends. Deep down, I know I should focus on myself, but how can I when I've got one sister about to implode while the other battles her own guilt? The minute I met Kai Isaac, I should've run in the opposite direction. His business isn't one I want any part of, and I've got way too much drama in my life already. But his kiss...those eyes...the raging inferno he creates when he touches me...I can't stay away. Life's reeling out of control, and he's my only refuge from the storm. My sister Lux says trusting someone means not knowing everything about them and being okay with it...but what if not knowing the truth ruins everything? Heat rating: Super sexy, with very light kink *Tracing the Line* is the third book in the *Without a Trace* series, and while each book interlinks, this novel may be read as a stand-alone story. "Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State--and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years--it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

"In the Fall of 2010 I gave an assignment in my Appalachian Literature class at Berea College, telling my students to write their own version of "Where I'm From" poem based on the writing prompt and poem by George Ella Lyon, one of the preeminent Appalachian poets. I was so impressed by the results of the assignment that I felt the poems needed to be preserved in a bound document. Thus, this little book. These students completely captured the complexities of this region and their poems contain all the joys and sorrows of living in Appalachia. I am proud that they were my students and I am very proud that together we produced this record of contemporary Appalachian Life" -- Silas House

Struggling to find a voice above the boom of her brothers and to understand her place on this side of the border and that, Lala is a shrewd observer of family life.
