Paranormal romance fans who are looking to up the ante will be drawn to this tale of horror, fantasy, and romance. For Mab Prowd, the practice of blood magic is as natural as breathing. It's all she's ever known. Growing up on an isolated farm in Kansas with other practitioners may have kept her from making friends her own age, but it has also given her a sense of purpose—she's connected to the land and protective of the magic. And she is able to practice it proudly and happily out in the open with only the crows as her companions. Mab will do anything to keep the ancient practice alive and guard its secrets. But one morning while she is working out a particularly tricky spell she encounters Will, a local boy who is trying to exorcise some mundane personal demons. He experiences Mab's magic in a way his mind cannot comprehend and is all too happy to end their chance meeting. But secrets that were kept from Mab by the earlier generations of blood magicians have come home to roost. And she and Will are drawn back together, time again by this dangerous force looking to break free from the earth and reclaim its own dark power. "The power of this narrative lies in the gorgeous prose, lush with a gothic sensibility, ripe with sensual images of horrific beauty. . . . Passion, heartbreak,

yearning and dread bleed from every page. A perfect book for those who loved Wuthering Heights and are looking for an essentially American gothic."--Kirkus Reviews

An orphan girl must face untold danger and an ancient evil to save her kingdom's prince in this lush, romantic fantasy perfect for fans of *Girls of Paper and Fire* and *Tess of the Road*. How can you live without your heart? In the vast palace of the empress lives an orphan girl called Nothing. She slips within the shadows of the Court, unseen except by the Great Demon of the palace and her true friend, Prince Kirin, heir to the throne. When Kirin is kidnapped, only Nothing and the prince's bodyguard suspect that Kirin may have been taken by the Sorceress Who Eats Girls, a powerful woman who has plagued the land for decades. The sorceress has never bothered with boys before, but Nothing has uncovered many secrets in her sixteen years in the palace, including a few about the prince. As the empress's army searches fruitlessly, Nothing and the bodyguard set out on a rescue mission, through demon-filled rain forests and past crossroads guarded by spirits. Their journey takes them to the gates of the Fifth Mountain, where the sorceress wields her power. There, Nothing will discover that all magic is a bargain, and she may be more powerful than she ever imagined. But the price the Sorceress demands for Kirin may very well cost Nothing her heart.

The Mantle that separates the kingdoms of Elsira and Lagrimar is about to fall. And life will

drastically change for both kingdoms. Born with a deadly magic she cannot control, Kyara is forced to become an assassin. Known as the Poison Flame in the kingdom of Lagrimar, she is notorious and lethal, but secretly seeks freedom from both her untamed power and the blood spell that commands her. She is tasked with capturing the legendary rebel called the Shadowfox, but everything changes when she learns her target's true identity. Darvyn ol-Tahlyro may be the most powerful Earthsinger in generations, but guilt over those he couldn't save tortures him daily. He isn't sure he can trust the mysterious young woman who claims to need his help, but when he discovers Kyara can unlock the secrets of his past, he can't stay away. Kyara and Darvyn grapple with betrayal, old promises, and older prophecies—all while trying to stop a war. And when a new threat emerges, they must beat the odds to save both kingdoms. Tessa Gratton's Lady Hotspur is a sweeping, heart-stopping Shakespearean novel of betrayal and battlefields and destiny. STRIKE FAST, LOVE HARD, LIVE FOREVER This is the motto of the Lady Knights—sworn to fealty under a struggling kingdom, promised to defend the prospective heir, Banna Mora. But when a fearsome rebellion overthrows the throne, Mora is faced with an agonizing choice: give up everything she's been raised to love, and allow a king-killer to be rewarded—or retake the throne, and take up arms against the newest heir, Hal Bolingbrooke, Mora's own childhood best friend and sworn head of the Lady Knights. Hal loathes being a Prince; she's much more comfortable instated on the Throne of Misrule, a raucous underground nether-court where passion rules all. She yearns to live up to the wishes of everyone she loves best—but that means sacrificing her own heart, and so she will disappoint everyone until the moment she can rise to prove those expectations wrong. And between these two fierce Princes is the woman who will

decide all their fates—Lady Hotspur, the fiery and bold knight whose support will turn the tides of the coming war. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
