Betty Shine is a remarkable woman. Her extraordinary gifts - a clairvoyant ability to diagnose medically, her healing powers and her discovery of 'mind energy' - have made her one of Britain's foremost healers. Mind to Mind tells her story. Like Betty herself, it is cheerful, down-to-earth and full

of humour. It reveals how she became aware of her gifts and how she has used her experiences of mind energy to help others. Illustrated with a wide variety of examples and case histories, this is a uniquely helpful and practical book by a woman whose powers have been a comfort and an inspiration to countless numbers of people. David Icke's extraordinary story and the message that Truth Vibrations brings to every man, woman and child is of

importance to the future of planet Earth. "I want to make it clear before we start what the title represents. Everything You Need To Know, But Have Never Been Told does not refer to all that people need to know in terms of information and knowledge. How could you put that between two covers? Religious books claim to do this but they are works of self-delusion and perceptual imprisonment. Everything You Need To Know in this

case refers to the information necessary to open entirely new ways of thinking and perceiving reality, both in the seen and unseen, from which everything else will come. This book is a start not a finish. It is written in layers with information placed upon information that together reveals the picture by connecting the parts. The parts are fascinating, but the picture is devastating. Prepare for a perception reboot]]

In the years following the assassination of President John F. Kennedy, more than one hundred witnesses, investigators, and other people linked to the ambush in Dealey Plaza have died. The majority have met their fate under extremely suspicious circumstances. Murders, mysterious accidents, and "suicides" account for more than half of those who have died since that fateful day in 1963. In "JFK: The Dead Witnesses" authors Craig Roberts and John Armstrong present the results of their investigations into the deaths of each of the victims. For the first time, the cases are detailed in chronological order exposing what each witness saw, what they might know, know they died, and how they were connected to the murder of JFK and often, to each other. Follow the trail of bodies through thirty years of intrigue, coverups and scandals as Roberts and Armstrong open the curtain that have for too long hidden the facts behind...the dead witnesses!
How an interdimensional

race has controlled the planet for thousands of years - and still does. In documented detail, the author argues that the same interconnecting bloodlines have controlled the planet for thousands of years. Original.
The vast majority of us unknowingly suffer from a slave mentality. We constantly experience the psychological phenomena of cognitive dissonance, where our beliefs and behaviour are in conflict, and Stockholm syndrome - the traumatic bonding with a captor. Our ability to decode reality is linked to what we are able to perceive. Icke believes our reality has been hijacked by an invisible force the Gnostics used to call Archons. He maintains that we are headed towards a cashless world and human settlements which are projected as local community initiatives but are actually centralized systems of control. Our health is being systematically weakened: if you are sick, you are easier to control. Icke's dystopian view of the future assumes that the masses will stay glued to their TVs, locked forever into the hive mind of the Matrix, which says "I have no power". Can humanity break free? Through truth and love we can become who and

what we really are.

Five Stars!' Mark Dolan, talkRADIO 'An important new book' Daily Express An alternative history of the world that exposes some of the biggest lies ever told and how they've been used over time. Lincoln did not believe all men were created equal. The Aztecs were not slaughtered by the Spanish Conquistadors. And Churchill was not the man that people love to remember. In this fascinating new book, journalist and author Otto English takes ten great lies from history and shows how our present continues to be manipulated by the fabrications of the past. He looks at how so much of what we take to be historical fact is, in fact, fiction. From the myths of WW2 to the adventures of Columbus, and from the self-serving legends of 'great men' to the origins of curry – fake history is everywhere and used ever more to impact our modern world. Setting out to redress the balance, English tears apart the lies propagated by politicians and think tanks, the grand narratives spun by populists and the media, the stories on your friend's Facebook feed and the tales you were told in childhood. And, in doing so, reclaims the truth from those who have perverted it. Fake History exposes everything you weren't told in school and why you weren't taught it. David Icke is the most famous conspiracy theorist in the world. How did he attain such a position? Who is David Icke and why is he so controversial? Is there any supporting evidence for his outlandish theories that reality is a holographic simulation and the world is run by shapeshifting reptiles from another dimension? Let's attempt to answer these and

many more questions in The Concise Guide to David Icke. Asserts that the story of the 9/11 disaster is a monumental lie. Original. In a book that marks the author's 20th year of uncovering suppressed information, he takes the manipulation of the human race and the nature of reality to new levels of understanding and calls for humanity to rise from its knees and take back the world from the sinister network of families and non-human entities that covertly control us from cradle to grave. Original. Secrets of a New World Order - Conspiracy Theories Book Perceptions of a Renegade Mind An Exploration of the Mysteries of Life and Prophetic Revelations for the Future of Humanity Truth Vibrations – David Icke's Journey from TV Celebrity to World Visionary Infinite Love Is the Only Truth Phantom Self --and the Truth Shall Set You Free The Earth is in crisis. Clearly, humanity has lost touch with Nature. We are, every second, committing appalling damage to the environment, to ourselves, to other species and to the home we share. The answers to environmental decline will not come by trying to persuade politicians and industrialists that urgent and fundamental changes are required. They are motivated by the need to get elected and by self-interest. Neither scientists nor the church seem to know what needs to be done either. What can WE do to heal the world? Former television personality turned world visionary, David Icke gives positive suggestions about how to discover our path and recognise that we are

part of a larger consciousness, connecting with others and learning how to heal the Earth. He says we have to begin at home. Healing others and healing the world has to start with self-healing, rediscovering self-respect and love in one's own life. Freedom starts with learning and overcoming fear and guilt and releasing our social conditioning. Judging others can become listening and understanding. We need to rediscover Earth's energies and the special places where we can best connect with these energies, and balance the negative and positive. Formerly best-known as a TV sports commentator and leading spokesman for the British Green party, David Icke has gained increasing authority as a tireless campaigner for truth. His widely publicised spiritual transformation has given him the courage to speak out fearlessly against lies and deceit. David's engaging, readable style allows complex ideas to be easily understood. He travels extensively, offering public talks and discussions around the UK and USA about the world transformation.

A well-known writer and researcher in his field lays out his belief in a "global conspiracy" in which a network of interbreeding families going back to the ancient world are manipulating events to impose a centrally-controlled Orwellian global state. Original.

A 3-video set of six and a half hours of David Icke's view of human history and who really controls the world. The book claims to show and prove who is really running the government, banking and medical facilities of the world!

David Icke's strongest book to date, *The Robots' Rebellion* reveals the alarming extent to which

people of all nations are programmed by the ideas fed to them by those in power. We live in a world which is increasingly dominated by technology but, according to Icke, it is we who are the robots. Fearlessly, he tears down the veils of hypocrisy, built up for generations by the corrupt forces of Church, State, science and commerce — and reveals the true pathos of the human condition beneath. He points, too, to the frightening influence wielded throughout the planet by a merciless and manipulative network of secret societies. The existence of long-established links between Earth-bound humanity and beings from other dimensions and planets in the Universe has been suppressed for years, says Icke, by the world's power-broking hierarchy. When ordinary people learn the real role they have to play within a rich and varied cosmic society, rebellion against those who have kept this extraordinary truth from them will, he predicts, be inevitable. The author is no stranger to controversy. Formerly best-known as a TV sports commentator and leading spokesman for the British Green Party, he is gaining increasing authority as a tireless campaigner for truth. His widely-publicised spiritual transformation has given him the courage to speak out fearlessly against lies deceit. Hidebound politicians, bankers, economists, educationalists, scientists and the leaders of the world's established religions are not going to welcome Icke's challenging book. But it is not intended for those who wield and abuse power. This book is for the world's unwilling robots who, says Icke, in an upbeat conclusion,

have it within themselves to rise up — and take control of their own exciting destiny. *The Robots' Rebellion: Table of Contents*

The Illuminati - Secrets of a New World Order The word "Illuminati" has, in recent years, become a catch-all buzzword for conspiracy theories of all sorts. It is a whispered response to strange happenings and seeming coincidences, a screamed retaliation to imbalances of power, a chanting pulse to the unknown. With its name now attached to all kinds of secret societies, shadowy projects, and missions to take over the

world, it is difficult to separate Illuminati fact from Illuminati fiction. The Illuminati has become a permeating presence whose reality and legends have become intertwined, nearly inseparable on an individual level. As far as whether or not the Illuminati still exists today--well, that's up to you to decide.

Fully revised and updated, The Rough Guide to Conspiracy Theories sorts the myths from the realities, the allegations from the explanations and the paranoid from the probable. Who might be trying to convince us that climate change is or isn't real? What is the truth behind the death of Osama bin Laden and is he still alive? When did the CIA start experimenting with mind control? Where is the HAARP installation and did it have anything to do with the Japanese tsunami disaster? Why is surveillance in our cities and online so widespread and what are the real benefits? This definitive guide to the world's most controversial conspiracies wanders through a maze of sinister secrets, suspicious cover-ups hidden agendas and clandestine operations to explore all these questions - and many many more. Truth Vibrations is the first book in New Age visionary and conspiracy theorist David Icke ' s series of groundbreaking expos é s of the mysteries of life, the possibilities for the future of humanity, and the history of the global conspiracy known as the New World Order. On 29 March 1990, David Icke visited a healer. What happened that day and in the months that followed changed his life forever. The former professional footballer, TV presenter and Green politician found himself on a wondrous, transformative journey of discovery. Guided by master souls from other dimensions, he went to Canada, the United States and all over Britain, meeting sensitives and helping to balance the disturbed earth ' s energy systems. This journey led David Icke to write the explosive Truth Vibrations, a revelatory book which looks at the great mysteries which for centuries have baffled scientists, doctors and historians were unravelled for David Icke: why are we here? What is the truth about God and Jesus? What

happens to us when we die? What are crop circles and who makes them? Did Atlantis exist? Most importantly, David Icke reveals who the Illuminati and the Babylonian Brotherhood are, exposing a global conspiracy that has been controlling the fate of the world's people for century by keeping it in a state of mass hypnosis. But David Icke's Truth Vibrations also offers hope, through his new vision of the world and his prediction for an Age of Aquarius. Through his visions, David Icke has learned what is to befall humanity and what steps we can take to reduce the physical and emotional impact of the enormous changes that are about to confront our planet and all life upon it. During his spiritual journey, he discovered the truth vibration, an energy frequency which can break us out of our hypnotised state and allow us to face the challenges of the twenty-first century. Many of the events he predicted in the eye-opening Truth Vibrations over 20 years ago have since come to pass, making David Icke's extraordinary story and the message that Truth Vibrations brings to every man, woman and child of supreme importance to the future of planet Earth. It is a must-read and will change your view of the New World Order forever. Truth Vibrations: Table of Contents Introduction Guided by the Light Life After Life Letters from the Gods The Grand Design Spirit of the

Stones Lord of the Age Diamonds in the Mud Journey to Aquarius New Vibrations The Message Notes A wide variety of extremist groups -- Islamic fundamentalists, neo-Nazis -- share the oddly similar belief that a tiny shadowy elite rule the world from a secret room. In Them, journalist Jon Ronson has joined the extremists to track down the fabled secret room. As a journalist and a Jew, Ronson was often considered one of "Them" but he had no idea if their meetings actually took place. Was he just not invited? Them takes us across three continents and into the secret room. Along the way he meets Omar Bakri Mohammed, considered one of the most dangerous men in Great Britain, PR-savvy Ku Klux Klan Grand Wizard Thom Robb, and the survivors of Ruby Ridge. He is chased by men in dark glasses and unmasked as a Jew in the middle of a Jihad training camp. In the forests of northern California he even witnesses CEOs and leading politicians -- like Dick Cheney and George Bush -- undertake a bizarre owl ritual. Ronson's investigations, by turns creepy and comical, reveal some alarming things about the looking-glass world of "us" and "them." Them is a deep and fascinating look at the lives and minds of extremists. Are the extremists onto something? Or is Jon Ronson becoming one of them?

David Icke has been writing books for decades warning that current events were coming. He has faced ridicule and abuse for saying that the end of human freedom was being planned, how, and by whom. His latest highly topical book, Perceptions of a Renegade Mind, is published in very different circumstances with vast numbers of people acknowledging that he has been vindicated by the happenings of the 'Covid' era. His predictions over more than 30 years have been proved stunningly accurate since the turn of 2020 often down to the fine detail. Icke set out only in January 2021, to write a book to quickly bring enormous numbers of people worldwide up to speed and who can now see that something very strange is happening. But they ask, what exactly? What is going on? He answers those questions in his usual dot-connected detail and lays out the background to what he calls the 'Global Cult' which operates across borders to advance a long-planned agenda for total human control. Those who read his section on 'Covid' will view events of 2020 and 2021 in a totally new light as he produces the evidence that humanity has been misled on a scale that defies belief. David Icke's time has come, and Perceptions of a Renegade Mind is destined to be an international best seller that could not have been published at a more important and relevant time or with such a now receptive

audience to what he has to say.
"Icke lays out in dot-connected detail a lifetime of research and insight about our 'computer'-simulated reality, the holographic universe, and the hidden non-human forces that are manipulating human life via hybrid bloodline families and networks into a global Orwellian state of total control"--P.
