Eyul, imperial assassin, is burdened by the atrocities he has committed, and his advancing years. As commanded he bears the emperor's Knife to the desert in search of a cure for the pattern-markings.

The Emperors Knife Book One Of The Tower And by ...

The Emperor's Knife is in many ways a standalone novel. While it is the first book in the Tower and Knife trilogy, it tells a contained story and builds its own complete world.

Williams definitely left enough room for fleshing out this world, however.
