Thrilling...an engrossing, emotionally rankling speed-read...original and sure-footed. ' Big Issue [UK] Told in short, cinematic bursts, Vengeance Is Mine, All Others Pay Cash is gloriously pulpy. Ajo Kawir, a lower-class Javanese teenage boy excited about sex, likes to spy on fellow villagers in flagrante, but one night he ends up witnessing the savage rape of a beautiful crazy woman. Deeply traumatised, he becomes impotent, turns to fighting as a way to vent his frustrations. Vengeance Is Mine, All Others Pay Cash shows Eka Kurniawan in a gritty, comic, pungent mode that fans of Quentin Tarantino will appreciate. But even with its liberal peppering of fights, high-speed car chases, and ladies heaving with desire, the novel continues to explore Kurniawan's familiar themes of female agency in a violent and corrupt male world. Eka Kurniawan was born in 1975 and is the author of novels, short stories, essays, movie scripts, and graphic novels. He has been described by the Jakarta Post as ' one of the few influential writers in Indonesia. ' His first novel to be translated into English, *Beauty Is a Wound*, was released in 2015. ' An unusual and provocative novel...A page turner, and well worth your attention. ' AU Review ' [Kurniawan] habitually drives his narratives between the extreme poles of the crass and the sublime, the tragic and the comedic, the surreal and the real. ' South China Morning Post ' It ' s funny, enraging, and touching. ' Village Voice ' I believe the phrase is " page-turner " ' Words Without Borders ' Kurniawan gives the reader an original plot while managing to include a good helping of black humour, plenty of irony, corruption and a man who talks to his penis (which occasionally answers him)...Funny and a bit crazy. ' BookMooch ' Eka Kurniawan ' s English-language debut, *Beauty Is a Wound*, was released to much acclaim in 2015, introducing the Indonesian writer to a whole new audience. Told in short, cinematic bursts, his follow-up is gloriously pulpy as it continues to explore familiar themes of female agency in a violent and corrupt male world. Kurniawan is not for the faint-hearted, but his gritty, comic style will definitely be appreciated by fans of Quentin Tarantino. ' Readings ' An arresting portrait of Indonesia ' s struggle for nationhood, delights in obscenity: no topic is spared from its bloodthirsty brand of satire. ' New Yorker on *Beauty is a Wound* ' *Beauty Is a Wound* is an epic of a kind that could only come from the pen of an Indonesian...Kurniawan ' s creative ambition and scope are traditional in some senses, but his deeply strange work is profoundly original. ' Australian on *Beauty is a Wound*

In a terrifying trip into the darkest corners of psychology, Detectives Murphy and Rossi rush to catch a serial killer who is stalking a university in Liverpool, ingeniously murdering his victims in a series of deadly experiments. Detectives David Murphy and Laura Rossi are charged with the investigation of the murder of a student at the City of Liverpool University. Attached to her body is a letter from her killer, which details a famous unethical psychological experiment—an experiment that the killer had replicated on the victim, resulting in her death. Convinced at first that the murderer is someone close to the victim, Murphy and Rossi dismiss the letter as a bid to throw them off the scent—until more bodies are found, each with their own letter attached. When it becomes apparent that each victim has ties to the university, the detectives realize they're chasing a killer unlike any they've hunted before—one who doesn ' t just want his victims ' bodies, but their minds as well. As they rush to prevent any more deaths, they are forced to delve into the darkest channels of psychological research in an

attempt to understand the motives of the madman.

In this companion novel to the Ingo series, myth and reality collide when Morveren, a young girl from a Cornish island, discovers a Mer boy, Malin, half-buried in the sand dunes. New conflicts erupt between the worlds of sea and air, and storm clouds of danger gather as Morveren and her twin sister, Jenna, struggle to protect Malin. An enthralling battle of loyalties begins when Morveren and Jenna learn that even your closest friends can betray you, and that a tragic reality lies beneath their island ' s legends.

In this delightfully imaginative novel, once again, hell threatens to break loose as Samuel Johnson and his ragtag group of friends must defend their town from shadowy forces more threatening than ever before... In this clever and quirky follow-up to *The Gates* and *The Infernals*, Samuel Johnson's life seems to have finally settled down—after all, he ' s still got the company of his faithful dachshund, Boswell, and his bumbling demon friend, Nurd; he has foiled the dreaded forces of darkness not once, but twice; and he ' s dating the lovely Lucy Highmore, to boot. But things in the little English town of Biddlecombe rarely run smoothly for long. Shadows are gathering in the skies, a black heart of pure evil is bubbling with revenge, and it rather looks as if the Multiverse is about to come to an end, starting with Biddlecombe. When a new toy shop ' s opening goes terrifyingly awry, Samuel must gather a ragtag band of dwarfs, policemen, and very polite monsters to face down the greatest threat the Multiverse has ever known, not to mention assorted vampires, a girl with an unnatural fondness for spiders, and highly flammable unfriendly elves. The latest installment of John Connolly ' s wholly original and creepily imaginative *Samuel Johnson Tales*, *The Creeps* is humorous horror for anyone who enjoys fiction at its best.

Supernova: The Knight, The Princess and the Falling Star presents a series of intertwined and unconventional love stories, straight and gay, with a bit of science and spirituality added to the mix. The major characters are young, urban, and technologically highly aware. They are caught up in major forms of contemporary social conflict. The work has been highly acclaimed. The poet Taufiq Ismail has written: "A renewal has taken place in Indonesian literature over the past decade. *Supernova* is an intelligent, unique and truly exciting exploration of science, spirituality and the nature of love." The literary critic Jacob Soemardjo suggests: "This is an attractive novel by a young writer. It is an intellectual work in the form of a work of pop art, set in the real world. It opposes old values with new ways of understanding, so that readers can see the world in a different way."

In this exhilarating culinary novel, a woman's road trip through Indonesia becomes a discovery of friendship, self, and other rare delicacies. Aruna is an epidemiologist dedicated to food and avian politics. One is heaven, the other earth. The two passions blend in unexpected ways when Aruna is asked to research a handful of isolated bird flu cases reported across Indonesia. While it's put a crimp in her aunt's West Java farm, and made her own confit de canard highly questionable, the investigation does provide an irresistible opportunity. It's the perfect excuse to get away from corrupt and corrosive Jakarta and explore the spices of the far-flung regions of the islands with her three friends: a celebrity chef, a globe-trotting "foodist," and her coworker Farish. From Medan to Surabaya,

Palembang to Pontianak, Aruna and her friends have their fill of local cuisine. With every delicious dish, she discovers there's so much more to food, politics, and friendship. Now, this liberating new perspective on her country--and on her life--will push her to pursue the things she's only dreamed of doing. When Ariel Levy left for a reporting trip to Mongolia in 2012, she was pregnant, married, financially secure, and successful on her own terms. A month later, none of that was true.

magical being. An explosive act of violence follows, and its mysterious cause is unraveled as events progress toward a heartbreaking revelation. Lyrical and bawdy, experimental and political, this extraordinary novel announces the arrival of a powerful new voice on the global literary stage.

New York Times bestselling author Sabrina Jeffries delights readers yet again with the third sizzling Regency romance in her Hellions of Hallstead Hall series, featuring the independent Lady Minerva Sharpe and the reckless Giles Masters. When a charming rogue proposes she marry him to meet her grandmother's ultimatum, the Sharpe clan's strong-willed sister makes a tempting counter-offer that preserves her inheritance—and ignites his imagination. Lady Minerva Sharpe has the perfect plan to thwart her grandmother's demands: become engaged to a rogue! Surely Gran would rather release her inheritance than see her wed a scoundrel. And who better to play the part of Minerva's would-be husband than wild barrister Giles Masters, the very inspiration for the handsome spy in the popular gothic novels she writes? The memory of his passionate kiss on her nineteenth birthday has lingered in Minerva's imagination, though she has no intention of really falling for such a rakehell, much less marrying him. Little does she know, he really is a covert government operative. When they team up to investigate the mystery behind her parents' deaths, their fake betrothal leads to red-hot desire. Then Minerva discovers Giles's secret double life, and he must use all the cunning tricks of his trade to find his way back to her heart.

In The Revised Fundamentals of Caregiving (releasing June 24, 2016 as a Netflix Original Film titled The Fundamentals of Caring, starring Paul Rudd and Selena Gomez), Jonathan Evison, author of the new novel This Is Your Life, Harriet Chance! and the New York Times bestseller West of Here, has crafted a novel of the heart, a story of unlikely heroes in a grand American landscape. For Ben Benjamin, all has been lost--his wife, his family, his home, his livelihood. Hoping to find a new direction, he enrolls in a night class called The Fundamentals of Caregiving, where he will learn to take care of people with disabilities. He is instructed about professionalism, about how to keep an emotional distance between client and provider, and about the art of inserting catheters while avoiding liability. But when Ben is assigned his first client--a tyrannical nineteen-year-old boy named Trevor, who is in the advanced stages of Duchenne muscular dystrophy--he soon discovers that the endless service checklists have done nothing to prepare him for the reality of caring for a fiercely stubborn, sexually frustrated teenager who has an ax to grind with the whole world. Over time, the relationship between Ben and Trev, which had begun with mutual misgivings, evolves into a close friendship, and the traditional boundaries between patient and caregiver begin to blur. The bond between them strengthens as they embark on a road trip to visit Trev's ailing father--a journey rerouted by a series of bizarre roadside attractions that propel them into an impulsive adventure disrupted by one birth, two arrests, a

freakish dust storm, and a six-hundred-mile cat-and-mouse pursuit by a mysterious brown Buick Skylark. By the end of that journey, Trev has had his first taste of love, and Ben has found a new reason to love life. Bursting with energy and filled with moments of absolute beauty, this big-hearted and inspired novel ponders life's terrible surprises as well as what it takes to truly care for another human being.

Set in an imagined town outside Tokyo, Clarissa Goenawan's dark, spellbinding literary debut follows a young man's path to self-discovery in the wake of his sister's murder. Ren Ishida has nearly completed his graduate degree at Keio University when he receives news of his sister's violent death. Keiko was stabbed one rainy night on her way home, and there are no leads. Ren heads to Akakawa to conclude his sister's affairs, failing to understand why she chose to turn her back on the family and Tokyo for this desolate place years ago. But then Ren is offered Keiko's newly vacant teaching position at a prestigious local cram school and her bizarre former arrangement of free lodging at a wealthy politician's mansion in exchange for reading to the man's ailing wife. He accepts both, abandoning Tokyo and his crumbling relationship there in order to better understand his sister's life and what took place the night of her death. As Ren

comes to know the eccentric local figures, from the enigmatic politician who's boarding him to his fellow teachers and a rebellious, captivating young female student, he delves into his shared childhood with Keiko and what followed. Haunted in his dreams by a young girl who is desperately trying to tell him something, Ren realizes that Keiko Ishida kept many secrets, even from him.

This volume is the result of a conference held in October 2015 in connection with the Frankfurt Book Fair discussing developments that are considered important in contemporary Indonesian cultural productions. The first part of the book reflects on the traumatic experiences of the Indonesian nation caused by a failed coup on October 1, 1965. In more general theoretical terms, this topic connects to the field of memory studies, which, in recent decades, has made an academic comeback. The focus of the chapters in this section is how certain, often distressing, events are represented in narratives in a variety of media that are periodically renewed, changed, rehearsed, repeated, and performed, in order to become or stay part of the collective memory of a certain group of people. The second part of the book explores how forces of globalisation have impacted upon the local and, linguistically surprisingly, rather homogeneous cultural productions of Indonesia. The main strands of inquiry in this second section are topics of global trends in religion, responses to urban development, the impact of popular literary developments, and how traditions are revisited in order to come to terms with international cultural developments.

The Ingo Chronicles

The English-language debut of Indonesia's rising star. The epic novel *Beauty Is a Wound* combines history, satire, family tragedy, legend, humor, and romance in a sweeping polyphony. The beautiful Indo prostitute Dewi Ayu and her four daughters are beset by incest, murder, bestiality, rape, insanity, monstrosity, and the often vengeful

undead. Kurniawan's gleefully grotesque hyperbole functions as a scathing critique of his young nation's troubled past: the rapacious offhand greed of colonialism; the chaotic struggle for independence; the 1965 mass murders of perhaps a million "Communists," followed by three decades of Suharto's despotic rule. *Beauty Is a Wound* astonishes from its opening line: One afternoon on a weekend in May, Dewi Ayu rose from her grave after being dead for twenty-one years.... Drawing on local sources—folk tales and the all-night shadow puppet plays, with their bawdy wit and epic scope—and inspired by Melville and Gogol, Kurniawan's distinctive voice brings something luscious yet astringent to contemporary literature.

Arya Winters is your typical cozy heroine. She lives in a cottage in a small English village, and bakes for a living - well, she specializes in macabre desserts. She has nosy neighbors, who she avoids ruthlessly due to her social anxiety. And she has a keen interest in all things sexy, especially Branwell Beam, the writer next door. When her neighbor Tobias Yards turns up dead after eating poisoned tiramisu (definitely not poisoned when she baked it), no one seems to connect it to Arya's Auntie Meera's recent death. Instead, they blame her excruciatingly average ex-boyfriend—and Tobias's nephew—and so she takes matters into her own hands. Now all she has to do to uncover the truth is to get over her aversion to Other People. Besides that, it's just a matter of getting beyond some yellow tape, dodging her former BFF Tallulah from secondary school, and getting into Branwell's pants—he seems strangely reluctant. What Arya doesn't realize is that the murderer is dangerous, preying on lonely people who've experienced trauma, and that she might have to do all she can not to become the next victim.

The bestselling author of *Honeymoon with My Brother* hits the road again to learn about love and finally finds it closer to home. When you've been jilted at the altar and forced to take your pre-paid honeymoon with your brother, it's fair to say you could learn a thing or two about love. And that's what Franz Wisner sets out to do—traveling the globe with a mission: to discover the planet's most important love lessons and see if they can rescue him from the ruins of his own love life. Even after months on the road, he's still not sure he's found the secret. But a disastrous date with a Los Angeles actress and single mom keeps popping into Franz's head. While researching ideal love, could he have missed a bigger truth: that something unplanned and implausible could actually make him happy? Uproarious, tender, and studded with eye-opening insights on love, *How the World Makes Love* is the story of one average man's search for happiness—a search that turns into an improbable love story in the author's own backyard.
