By searching the title, publisher, or authors of guide you essentially want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best place within net connections. If you intention to download and install the Walking With Mary A Biblical Journey From Nazareth To The Cross Edward Sri, it is completely easy then, before currently we extend the member to purchase and make bargains to download and install Walking With Mary A Biblical Journey From Nazareth To The Cross Edward Sri so simple!

From critically acclaimed author Brian McLaren comes a brilliant retelling of the biblical story and a thrilling reintroduction to Christian faith. This book offers everything you need to explore what a difference an honest, living, growing faith can make in our world today. It also puts tools in your hands to create a life-changing learning community in any home, restaurant, or other welcoming space. The fifty-two (plus a few) weekly readings can each be read aloud in 10 to 12 minutes and offer a simple curriculum of insightful reflections and transformative practices. Organized around the traditional church year, these readings give an overview of the whole Bible and guide an individual or a group of friends through a year of rich study, interactive learning, and personal growth. Perfect for home churches, congregations, classes, or individual study, each reading invites you to Cultivate an honest, intelligent understanding of the Bible and of Christian faith in 21st century Engage with discussion questions designed to challenge, stimulate, and encourage Reimagine what it means to live joyfully and responsibly in today's world as agents of God's justice, creativity, and peace If you're seeking a fresh way to experience and practice your faith, if you're a long-term Christian seeking new vitality, or if you feel out of place in traditional church circles, this book will inspire and activate you in your spiritual journey.

Mary appears only a few times in the Bible, but those few passages come at crucial moments. Catholics believe that Mary is the ever-virgin Mother of God, the Queen of Heaven and Earth. But she also was a human being--a woman who made a journey of faith through various trials and uncertainties and endured her share of suffering. Even with her unique graces and vocation, Mary remains a woman we can relate to and from whom we have much to learn. In *Walking with Mary*, Edward Sri looks at the crucial passages in the Bible concerning Mary and offers insight about the Blessed Mother's faith and devotion that we can apply in our daily lives. We follow her step-by-step through the New Testament account of her life, reflecting on what the Scriptures tell us about how she responded to the dramatic events unfolding around her. "This book is the fruit of my personal journey of studying Mary through the Scriptures, from her initial calling in Nazareth to her painful experience at the cross," writes Edward Sri "It is intended to be a highly readable, accessible work that draws on wisdom from the Catholic tradition, recent popes, and biblical scholars of a variety of perspectives and traditions. With the riches of these insights, we will ponder what her journey of faith may have been like in order to draw out spiritual lessons for our own walk with God." He add, "It is my hope, therefore, that whether you are of a Catholic, Protestant, or other faith background, this book may help you to know, understand, and love Mary more, and that it may inspire you to walk in her footsteps as a faithful disciple of the Lord in your own pilgrimage of faith."

The Orthodox Church's reverence for Mary the Mother of God can be a stumbling block for converts, and a fulfilling relationship with her can prove elusive for converts and lifelong Orthodox Christians alike. In this deeply personal but beautifully universal memoir, Brandi Willis Schreiber relates her own quest to know and love the Virgin Mary and to incorporate her as a vital participant in her spiritual life. Brandi's sparkling, vulnerable account invites the reader to join her in this quest.

In *In Into His Likeness*, Dr. Edward Sri provides an approachable but in-depth exploration of what it means to be a disciple of Christ. At the outset, he emphasizes the importance of every Christian's developing the desire to be a true disciple of Christ and gives the reader a first glimpse of what the life of a disciple looks like. As the book progresses, he unfolds what a true encounter of love with Christ entails and explores the transforming power of God's grace. He also offers for consideration "the four habits of a disciple" prayer, the breaking of bread (the Sacraments), fellowship, and the teaching of the Apostles. The book concludes with a powerful call to fulfill every Christian's mission of evangelization. *Into His Likeness* is a down-to-earth and tremendously valuable handbook for anyone wishing to pursue Christ wholeheartedly.

Jesus and the Jewish Roots of the Eucharist

Into His Likeness

"Don't be so judgmental!" "Why are Christians so intolerant?" "Why can't we just coexist?" In an age in which preference has replaced morality, many people find it difficult to speak the truth, afraid of the reactions they will receive if they say something is right or wrong. Using engaging stories and personal experience, Edward Sri helps us understand the classical view of morality and equips us to engage relativism, appealing to both the head and the heart. Learn how Catholic morality is all about love, why making a judgment is not judging a person's soul, and why, in the words of Pope Francis, "relativism wounds people." Topics include: • Real Freedom, Real Love • Sharing truth with compassion • Why "I disagree" doesn't mean "I hate you" Travel from Nazareth to Bethlehem in a unique look at the birth of Christ.

Catholics and non-Catholics alike may be tempted to assume they already know everything there is to know about Mary. Whatever your degree of knowledge and personal devotion to the Mother of God, this book will help you see Mary with new eyes and greater appreciation. Renowned author and theologian Edward Sri deftly leads the reader through a detailed study of Scripture and makes insightful connections to deepen and transform our understanding of Jesus's Mother. Readable, compelling, and inspiring, this book will renew your vision so that

you, too, can rethink Mary - the Mother of God and our mother. Topics include: What was Mary's life like before the Annunciation? Mary as Daughter Zion What does it mean to call Mary "full of grace"? What is the biblical basis for the Catholic belief that Mary is a perpetual Virgin? Mary as Queen Mother Mary as model of faith Mary at the foot of the Cross Mary as the woman of Revelation

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Lessons from the Life of Mary of Nazareth

As Catholics, the Mass is the center of our Faith. We celebrate it every day. We know all the responses. We know all the gestures. But do we know what it all means?

In *A Biblical Walk Through the Mass*, Dr. Edward Sri takes us on a unique tour of the Liturgy. Based on the revised translation of the Mass, this book explores the biblical roots of the words and gestures we experience in the Liturgy and explains their profound significance. This intriguing look at the Mass is sure to renew your faith and deepen your devotion to the Eucharist. This book is used as the text for *A Biblical Walk Through the Mass Study Program*, but it may also be purchased separately at steep bulk discounts. For those not able to attend a study, this is a perfect resource for catechesis on the deep riches of the Mass.

Some books hope to persuade the reader by reasoned arguments that might stand up to scrutiny. Conversely, this work simply reveals the meaning of Scripture to its lover and provides every Christian with a straightforward and irrefutable key to understand Mary's role and dignity in salvation history according to the Evangelists in their Gospels. After seeing the evidence organized in an easy-to-read way, arcane arguments, long dividing Christians, simply become irrelevant as the reader experiences the Scriptures revealing themselves in their fullness. Who are Jesus's brothers and sisters? Who are his family members who opposed his ministry? Does Scripture teach Mary's perpetual virginity? What is Joseph's family tree? Why do Jesus and Mary sometimes appear to be at odds in the New Testament? Each and every question does not require a tortuously reasoned argument to some purportedly probable conclusion. Rather, each question is plainly answered by reading the Scriptures through their own dependence on prior Scripture as key to their meaning and interpretation.

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

Drawing on his Roman Catholic background, personal interviews with Catholics and Evangelicals, and years of research, Chris Castaldo takes readers on a fascinating and practical exploration of the challenges and opportunities encountered by Catholics who become Evangelicals. He examines the five major reasons why Christ ' s followers often leave the Catholic Church, and shows how to emulate Jesus in practical ways when engaging Catholic friends and family. And, with humor and authenticity, he shares his own faith journey in order to help readers understand and work through their own. For those who are tired of scratching their head in confusion or frustration about how their Catholic background may influence their walk with Jesus, and why on earth their Catholic family believes they ' ve gone off the deep end, *Holy Ground* offers vast insight and practical help. More than providing historical perspective, theological reflection, and practical lessons, it shows readers how to emulate the grace and truth of Jesus Christ in relating to the Catholic people whom they love.

The Journey

If the Bible isn't a science book or an instruction manual, what is it? What do people mean when they say the Bible is inspired? When *New York Times* bestselling author Rachel Held Evans found herself asking these questions, she embarked on a journey to better understand what the Bible is and how it's meant to be read. What she discovered changed her--and it can change you, too. Evans knows firsthand how a relationship with the Bible can be as real and as complicated as a relationship with a family member or close friend. In *Inspired*, Evans explores contradictions and questions from her own experiences with the Bible, including: If the Bible was supposed to explain the mysteries of life, why does it leave the reader with so many questions? What does it mean to be chosen by God? To what degree did the Holy Spirit guide the preservation of these narratives, and is there something sacred to be uncovered beneath all these human fingerprints? If the Bible has given voice to the oppressed, why is it also used as justification by their oppressors?

Drawing on the best in biblical scholarship and using her well-honed literary expertise, Evans examines some of our favorite Bible stories and possible interpretations, retelling them through memoir, original poetry, short stories, and even a short screenplay. Undaunted by the Bible's most difficult passages and unafraid to ask the hard questions, Evans wrestles through the process of doubting, imagining, and debating the mysteries surrounding Scripture. Discover alongside Evans that the Bible is not a static text, but a living, breathing, captivating, and confounding book that can equip us and inspire us to join God's loving and redemptive work in the world.

Do you have a desire to be used by God in a greater way? Have you ever felt that your life could never really make a difference to God? Mary, the mother of Jesus, was an ordinary young woman whose world was turned upside down one day by a message sent from heaven. Her response illustrates many essential qualities of the kind of woman God chooses and uses to fulfill His redemptive purposes in our world. A series of thought-provoking questions will help you apply these truths to your everyday life.

In the ancient disciple-rabbi relationship, the disciple would follow the rabbi so closely that he would be covered in the dust kicked up from his rabbi's feet. Thousands of years later, though we walk on roads of pavement and not dust, we are still called to be disciples—to follow our Rabbi, Jesus Christ,

so closely that we are covered with his life, changed, and made new. Into His Likeness provides an approachable but in-depth exploration of how to live as a disciple and experience the transformation Jesus wants to work in our lives. We might desire to live more like Christ, but we know we fall short. This book simply helps us follow those initial promptings of the Holy Spirit, so that we may more intentionally encounter Jesus anew each day and be more disposed to his grace changing us ever more into his likeness.

From the angel Gabriel's announcement of God's plan for her, through the adversities presented by Christ's work on earth, Mary, the mother of Jesus, exhibited courage and humility. In this study, readers will walk beside Mary the teenager...the wife...the mother...the widow...the church member.

Hidden Leadership

This book is open access under a CC BY-NC-ND license. This book reveals exciting early Christian evidence that Mary was remembered as a powerful role model for women leaders—women apostles, baptizers, and presiders at the ritual meal. Early Christian art portrays Mary and other women clergy serving as deacon, presbyter/priest, and bishop. In addition, the two oldest surviving artifacts to depict people at an altar table inside a real church depict women and men in a gender-parallel liturgy inside two of the most important churches in Christendom—Old Saint Peter ’ s Basilica in Rome and the second Hagia Sophia in Constantinople. Dr. Kateusz ’ s research brings to light centuries of censorship, both ancient and modern, and debunks the modern imagination that from the beginning only men were apostles and clergy.

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

In his trademark warm and friendly style, popular speaker and author Fr. Andrew Apostoli shows us the important roles that Mary plays in the lives of Christian disciples.

Fr. Apostoli focuses on three specific ways Mary leads us to Jesus—as mother, teacher, and advocate: --In her motherly role, she gave life to Jesus and gives life to us, her spiritual children. --In her teaching role, she shows us how to trust in God ’ s providential working in our own lives, just as she trusted in God when she completely abandoned herself to his will in her own life. --In her role as advocate, she has compassion on all her children as she intercedes for us. Apostoli uses numerous anecdotes and stories to engage his readers as he helps Catholics gain a deeper appreciation of Mary ’ s active and loving presence in their lives.

Ginny Moyer wanted to know how women today would answer those questions, so she invited women of all ages, some cradle Catholics and some converts, some lay and some religious, to share their thoughts on Mary. In the process of collecting womens stories, Moyer learned that the answers to these questions are as diverse as the women themselves.

Tearing Down Walls, Walking in His Grace

So many of us desire freedom - the freedom that is promised to us when we decide to follow Jesus. The freedom from the burden of our sin, the need to be "good enough," anger, jealousy, and envy. Even though we are believers we would be ashamed to say that we don't always experience peace, contentment, and joy in our life. We are looking for the grace that God has so graciously given to us to be real in our life... Breaking Pride is an eBook based on one simple truth: In order to walk in God's grace we need to tear down the the walls of pride. A lot of believers, even though saved by God's grace, are still walking in pride rather than walking in His grace. Knowing what pride is and learning to identify pride in your life is the first step to overcoming a life filled with pride. Pride is rooted in fear and leads to anger, jealousy, and envy. Sin isn't keeping us from having a relationship with the Lord, it's our pride. So many of us long to have an authentic and REAL relationship with the Lord, and we long to have the fruit of the spirit filled in our heart. Our desire is to achieve these fruits through will power. But we do not even realize that the pride that lives within our heart is what is blocking the fruit of the spirit from living within us. In Breaking Pride you will learn to identify different areas of pride in your life. Filled with encouragement, Breaking Pride will take you through a practical reading of what pride may look like in your life... Let's stop building walls of pride and start building the foundation of grace within our lives...

Pray in a new and creative way this Lent by joining the women of WINE: Women In the New Evangelization on a journey through Christ's passion, death, and resurrection. What if you could have been a witness to the events of the last days of Jesus ’ life—walking with him as he entered Jerusalem, observing his crucifixion, and embracing him on Easter? Walk in Her Sandals, edited by popular Catholic author and speaker Kelly M. Wahlquist, takes you deeper into your relationship with Jesus by helping you relate to him in a profoundly intimate way. Looking at six universal gifts of women through the eyes of women in the gospels, the book guides you on a prayerful and creative journey through the days of Holy Week, Easter, and Pentecost. As you imagine the experience of the women who met Jesus, you will discover how each of them expressed one of six, distinctive, feminine gifts identified in the writings of St. John Paul II. Through the eyes of an imagined woman who watched Jesus ’ entry into Jerusalem, you will understand how she conveyed the gift of receptivity. Through the hands of Veronica, who reached out to wipe the face of Jesus, you will discover how sensitivity is present and can grow in your own life. These gifts, along with generosity, prayer, maternity, and the Holy Spirit, come to life through the vivid portrayal of women who walked with Jesus. Their imagined stories are complemented by the real accounts of contemporary women who share their own stories of receiving and cultivating these gifts. Walk in Her Sandals is a collaborative effort, edited by Wahlquist with contributions from twelve leading Catholic women writers, all of whom are associated with the organization she founded—WINE: Women In the New Evangelization. The contributors will help you break open the scripture, reflect upon it and apply it to your own life, and share those insights in a small-group setting through the use of questions and challenges. Each chapter unfolds in eight movements: A Moment to Ponder: Wahlquist sets the stage for the theme of that chapter. Entering the Scripture: Sarah Christmyer, codeveloper of The Great Adventure Catholic Bible Study, reveals the riches of the scripture that corresponds with the day, both in the biblical narrative and in the liturgical year. Walk in Her Sandals: Stephanie Landsem, author of the biblical fiction series The Living Water, draws you into the story and allows you to experience what it may have been like for women who lived and walked with Jesus. Unwrapping the Gift: Catholic author, speaker, and faith-formation leader Pat Gohn shows how each woman demonstrates a particular feminine gift and invites you to nurture that gift in yourself and understand anew the beauty of your dignity and vocation. Reflect on the Meaning: Writers including CatholicMom.com founder Lisa M. Hendey and popular media personality Teresa Tomeo offer insight, encouragement, and inspiration for your own journey through their personal stories. Lectio and Meditatio: A prayerful reading of the scripture and a guided meditation to draw you more deeply into an intimate relationship with Jesus. Questions for Group Discussion: Carol Younger, senior fellow at the St. Paul Center for Biblical Theology, offers a

helpful tool to share your experience with other women. Walking in the New Evangelization: Wahlquist offers two ways to contribute to the New Evangelization—first by growing in your contemplative spiritual life and then by giving you practical suggestions to enhance your active spiritual life. Walk in Her Sandals will allow you to enter more fully into life in Christ by praying over his passion, death, and resurrection. It will help you experience a conversion of heart and recognize your own giftedness.

A popular biblical scholar explores Mary's life, from the moment she learned of God's plans for the Messiah to the culmination of Christ's ministry on earth, introducing the real Mary--a woman of courage, humility, and spirit, who is a model for faith.

Waiting to be rediscovered in the British Library is an ancient manuscript of the early Church, copied by an anonymous monk. The manuscript is at least 1,450 years old, possibly dating to the first century. And now, The Lost Gospel provides the first ever translation from Syriac into English of this unique document that tells the inside story of Jesus ’ social, family, and political life.The Lost Gospel takes the reader on an unparalleled historical adventure through a paradigm shifting manuscript. What the authors eventually discover is as astounding as it is surprising: the confirmation of Jesus ’ marriage to Mary Magdalene; the names of their two children; the towering presence of Mary Magdalene; a previously unknown plot on Jesus ’ life (thirteen years prior to the crucifixion); an assassination attempt against Mary Magdalene and their children; Jesus ’ connection to political figures at the highest level of the Roman Empire; and a religious movement that antedates that of Paul—the Church of Mary Magdalene.Part historical detective story, part modern adventure, The Lost Gospel reveals secrets that have been hiding in plain sight for millennia.

An in-depth presentation of the Gebirah or 'Great Lady' tradition in salvation history and its profound connection to the doctrine of Mary's queenship. Edward Sri demonstrates how the queen-mother theme in the Davidic kingdom sheds light on the role of Mary as heavenly Queen.

This compelling read will bear much fruit for those seriously looking to grow in their knowledge and love of Scripture.

This work was published in 1988 under "Discovering Eve: ancient Israelite women in context."

Imagine following Jesus along the road, listening in on his conversations, and gleaning from the lessons he taught in the holy places he traveled. Join author Wayne Stiles as he walks in the steps of Jesus: through Bethlehem, Samaria, Jerusalem, Nazareth, Galilee, and beyond. Experience the places where Jesus met a lonely woman in Samaria, a den of hypocrites in the Temple, a Jerusalem Pharisee still searching for truth, fishermen with a sea of false expectations, and a hometown ashamed of him. Entering the Holy land through the settings, sights, and sounds of Stiles's engaging travelogue, readers will not only discover more about these sacred places, but also learn practical lessons that will find their way into their hearts. And ultimately, prepare them for their own encounter with Christ.

The bestselling author of "Jesus and the Jewish Roots of the Eucharist" casts new light on the Virgin Mary, illuminating her role in the Old and New Testaments.

The Definitive Guide for Solving Biblical Questions About Mary

What the Bible Tells Us About the Mother of the Messiah

Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a “ cold case ” : it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers ’ intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

"In Walking with Mary, Edward Sri looks at the crucial passages in the Bible concerning Mary and offers insight about the Blessed Mother's faith and devotion that we can apply in our daily lives. We follow her step-by-step through the New Testament account of her life, reflecting on what the Scriptures tell us about how she responded to the dramatic events unfolding around her. "This book is the fruit of my personal journey of studying Mary through the Scriptures, from her initial calling in Nazareth to her painful experience at the cross," writes Edward Sri. "It is intended to be a highly readable, accessible work that draws on wisdom from the Catholic tradition, recent popes, and biblical scholars of a variety of perspectives and traditions. With the riches of these insights, we will ponder what her journey of faith may have been like in order to draw out spiritual lessons for our own walk with God"--Jacket page [2].

In recent years, Christians everywhere are rediscovering the Jewish roots of their faith. Every year at Easter time, many believers now celebrate Passover meals (known as Seders) seeking to understand exactly what happened at Jesus ’ final Passover, the night before he was crucified. Jesus and the Jewish Roots of the Eucharist shines fresh light on the Last Supper by looking at it through Jewish eyes. Using his in-depth knowledge of the Bible and ancient Judaism, Dr. Brant Pitre answers questions such as: What was the Passover like at the time of Jesus? What were the Jewish hopes for the Messiah? What was Jesus ’ purpose in instituting the Eucharist during the feast of Passover? And, most important of all, what did Jesus mean when he said, “ This is my body... This is my blood ” ? To answer these questions, Pitre explores ancient Jewish beliefs about the Passover of the Messiah, the miraculous Manna from heaven, and the mysterious Bread of the Presence. As he shows, these three keys—the Passover, the Manna, and the Bread of the Presence—have the power to unlock the original meaning of the Eucharistic words of Jesus. Along the way, Pitre also explains how Jesus united the Last Supper to his death on Good Friday and his Resurrection on Easter Sunday. Inspiring and informative, Jesus and

the Jewish Roots of the Eucharist is a groundbreaking work that is sure to illuminate one of the greatest mysteries of the Christian faith: the mystery of Jesus' presence in "the breaking of the bread." From the Hardcover edition.

The Bible is central to our faith as Catholics. But approaching such a large and complex collection of writings that span thousands of years is intimidating for most of us. We need a guide, a compass to set us off on the right course so that our time spent studying the Scriptures is a time spent encountering the living God. The Bible Compass provides readers with the tools to study the Word of God with confidence and purpose. This book demonstrates how to read the Bible within the living Tradition of the Catholic Church, and it addresses all the common questions about the Bible including: Where did the Bible come from? Why is the Bible so important? Is the Bible really inspired by God? Why do Catholic Bibles have more books than Protestant Bibles? Do I have to take the Bible literally? How do I know if I am interpreting the Bible correctly? Why do we need Tradition and the Magisterium to understand Scripture? What are the four senses of Scripture? Why are there different translations of the Bible? Which is best? How can archeology, history and geography enrich our study of Scripture? What are the Dead Sea Scrolls? How should we as Catholics interpret Scripture? What is lectio divina? What about Gnostic gospels and other non-biblical books? As Catholics we are called to have an intimate knowledge of Jesus Christ and the Church as revealed in the Scriptures. Reading the Bible with the proper tools and in the appropriate context will help you grow in your love for the Faith and in your relationship with Jesus Christ himself, who is "the Word made Flesh," (John 1:1).

Unlocking the Secrets of the Last Supper

Holy Bible

Mary appears only a few times in the Bible, but those few passages come at crucial moments. Catholics believe that Mary is the ever-virgin Mother of God, the Queen of Heaven and Earth. But she also was a human being--a woman who made a journey of faith through various trials and uncertainties and endured her share of suffering. Even with her unique graces and vocation, Mary remains a woman we can relate to and from whom we have much to learn. In *Walking with Mary*, Edward Sri looks at the crucial passages in the Bible concerning Mary and offers insight about the Blessed Mother's faith and devotion that we can apply in our daily lives. We follow her step-by-step through the New Testament account of her life, reflecting on what the Scriptures tell us about how she responded to the dramatic events unfolding around her. "This book is the fruit of my personal journey of studying Mary through the Scriptures, from her initial calling in Nazareth to her painful experience at the cross," writes Edward Sri. "It is intended to be a highly readable, accessible work that draws on wisdom from the Catholic tradition, recent popes, and biblical scholars of a variety of perspectives and traditions. With the riches of these insights, we will ponder what her journey of faith may have been like in order to draw out spiritual lessons for our own walk with God." He adds, "It is my hope, therefore, that whether you are of a Catholic, Protestant, or other faith background, this book may help you to know, understand, and love Mary more, and that it may inspire you to walk in her footsteps as a faithful disciple of the Lord in your own pilgrimage of faith."

"This book will prove to be a most effective weapon... against the debunking and skeptical attitudes toward the Gospels that are so prevalent, not only in academe, but also on the street, among young people who, sadly, are leaving the Churches in droves." — Robert Barron, author of *Catholicism For Well Over a Hundred Years Now*, many scholars have questioned the historical truth of the Gospels, claiming that they were originally anonymous. Others have even argued that Jesus of Nazareth did not think he was God and never claimed to be divine. In *The Case for Jesus*, Dr. Brant Pitre, the bestselling author of *Jesus and the Jewish Roots of the Eucharist*, goes back to the sources—the biblical and historical evidence for Christ—in order to answer several key questions, including:

- Were the four Gospels really anonymous?
- Are the Gospels folklore? Or are they biographies?
- Were the four Gospels written too late to be reliable?
- What about the so-called "Lost Gospels," such as "Q" and the Gospel of Thomas?
- Did Jesus claim to be God?
- Is Jesus divine in all four Gospels? Or only in John?
- Did Jesus fulfill the Jewish prophecies of the Messiah?
- Why was Jesus crucified?
- What is the evidence for the Resurrection?

As *The Case for Jesus* will show, recent discoveries in New Testament scholarship, as well as neglected evidence from ancient manuscripts and the early church fathers, together have the potential to pull the rug out from under a century of skepticism toward the traditional Gospels. Above all, Pitre shows how the divine claims of Jesus of Nazareth can only be understood by putting them in their ancient Jewish context.
