PARK AVENUE Apartment: 12C TENANT: Carrie Gray, the proverbial girl-next-door

SCANDAL: Will she marry for money? Millionaire media mogul Trent Tanford had one week to find a wife...or lose his empire. But none of his current Manhattan flings met his father's stringent standards. Then Trent noticed the innocent house sitter next door. In tortoiseshell glasses and loose T-shirts, Carrie Gray surely had no skeletons in her closet. But how would she feel about...marital duties, so vital to a virile man like Trent? Trent had the money and the charm to convince her, but he'd never spoken a word to Carrie.... How was he going to ask, "Will you marry me?"

An impressive chronicle of the events of World War II compiles all the major New York Times headlines to create a powerful reminder that we should never forget the most destructive war in history and its effect on the American people and their government.

Short Story Press Presents Front Page Kiss by Eve Gaal Viola Timmons is mesmerized by the large, red-haired city editor who always calls her by her last name. He 's so absorbed in his work he has no time to notice her at all. When a lie slips from her mouth she realizes that perhaps she 's desperate and obviously in love. She forms a plan and courageously insists that he take her to the mayor 's luncheon where she blatantly reveals her feelings. Meanwhile, her amateur photographer friend is supposed to help out and take a photo of the mayor, but the deadline is nearing and there won 't be time to check for mistakes. Hopefully her friend Laura will snap the perfect shot and she won 't be an amateur for long. More importantly, if Viola can get the city editor to use her first name, then she 'll know he likes her too. Find out if the lies catch up to Viola after deadline and if a kiss makes all the difference. Short Story Press publishes short stories written by everyday writers.

An irresistible comedy with thrills and derring do set in the news room. Hildy wants to break away from journalism and go on a belated honeymoon. There is a jailbreak and into Hildy's hands falls the escapee as hostage. He conceals his prize in a rolltop desk and phones his scoop to his managing editor. Their job is to prevent other reporters and the sheriff from opening the desk and finding their story. Some hoods are enlisted to remove the desk, but they get mixed up with a Boy Scout troop and the mayor and a cleaning woman, among others. It's a whirlwind wrap up with Hildy finally making his breakaway, but the cynical managing editor has him arrested before he leaves town for having stolen a watch he planted on Hildy.

Looking to get up-to-speed on the latest version of Microsoft FrontPage, the award-winning Web authoring and site-management tool? Morgan's mansion and the Great War are splashed across the front page of every newspaper.

Capability "Kitty" Weeks would love nothing more than to report on the news of the day, but she's stuck writing about fashion and society gossip over on the Ladies' Page—until a man is murdered at a high society picnic on her beat. Determined to prove her worth as a journalist, Kitty finds herself plunged into the midst of a wartime conspiracy that threatens to derail the United States' attempt to remain

neutral—and to disrupt the privileged life she has always known. Radha Vatsal's *A Front Page Affair* is the first book in highly anticipated series featuring rising journalism star Kitty Weeks.

In today's highly connected world, almost everybody has a web site, from local sewing circles to the world's largest corporations. If you're ready for one of your own, Microsoft's FrontPage 2003 has everything you need to create Web pages. It's true. Your geek friends may howl in contempt if you use FrontPage, but that's because the program has a reputation for spitting out cookie-cutter Web pages with messy, overloaded HTML code that takes forever to load. Not any more. After listening to complaints, Microsoft has given FrontPage 2003 some pretty advanced features, including an HTML cleanup tool that helps alleviate bloated code, and new support for Macromedia Flash and XML. Now, savvy Web veterans can control as much of the process as they want, and even collaborate on a site with developers who use Dreamweaver, GoLive or other Web authoring tools. Yet, unlike those other tools, FrontPage 2003 still has automated features for beginners who don't know where to start. There's still one flaw, though. Microsoft's idea of a user manual is a flimsy pamphlet. But that's easily solved. *FrontPage 2003: The Missing Manual* offers you everything from the basics to meaty sections on advanced tasks. Our book puts the program's features in context, with clear and thorough chapters that provide valuable shortcuts, workarounds, and just plain common sense, no matter where you weigh in on the technical scale. With it, you can learn to build simple Web pages, or sophisticated ones with tables and Cascading Style Sheets, and find out how to manage and publish a Web site. You'll also learn to create forms, work with databases, and integrate FrontPage with Microsoft Office. If you haven't worked with Web pages before, each chapter provides "Up to Speed" sidebars with useful background information. If you do have experience, the "Power Users' Clinic" sidebars offer advanced tips and insights. You won't find tips like those in the pamphlet, or even in the Help file. *FrontPage: The Missing Manual* gives you the complete lowdown on the program above and beyond any book on the market.

In this World War II-era historical mystery series debut by Joyce St. Anthony, small-town editor Irene Ingram has a nose for news and an eye for clues. Irene Ingram has written for her father's newspaper, the *Progress Herald*, ever since she could grasp a pencil. Now she's editor in chief, which doesn't sit well with the men in the newsroom. But proving her journalistic bona fides is the least of Irene's worries when crime reporter Moe Bauer, on the heels of a hot tip, turns up dead at the foot of his cellar stairs. An accident? That's what Police Chief Walt Turner thinks, and Irene is inclined to agree until she finds the note Moe discreetly left on her desk. He was on to a big story, he wrote. The robbery she'd assigned him to cover at Markowicz Hardware turned out to be something far more devious. A Jewish store owner in a small, provincial town, Sam Markowicz received a terrifying message from a stranger. Moe suspected that Sam is being threatened not only for who he is...but for what he knows. Tenacious Irene senses there's more to the Markowicz story, which she is all but certain led to Moe's murder. When she's not filling up column inches with the usual small-town fare—locals in uniform, victory gardens, and scrap drives—she and her best friend, scrappy secretary Peggy Reardon, search for clues. If they can find the killer, it'll be a scoop to stop the presses. But if they can't, Irene and Peggy may face an all-too-literal deadline.

'Venutolo embraces the noir. No, really embraces it. With gusto. If you're gonna do it, do it right. That could be protagonist Nick Moretti's motto as well...' Newark, New Jersey, 1954 Years of fight halls and newsrooms have East Coast sportswriter Nick Moretti looking for a change. When a sloppy hustle goes bad, and Nick takes a bullet in the shoulder, it's time to go west. Hired by Pinnacle Pictures to write a boxing movie about troubled heavyweight champ Jericho 'Rattlesnake' McNeal, Nick joins forces with sexy public relations gal, Dillian Dawson, for a cross-country tour to give an everyman boxer an unlikely shot at the world title – what could go wrong? From the crackling neon of Hollywood and Sin City, through the steamy Delta, and on to Chi-Town, the glitzy dream becomes a noir nightmare, and newshound Nick Moretti is about to commit a reporter's greatest sin – becoming a Front Page Palooka

'The Medium is the Message' claimed Marshall McLuhan. What better way to survey the ideas, events and leaders of the last century than through the striking images of its magazine covers? Structured thematically, *Front Page* provides an original and provocative visual account of the twentieth century as depicted by its best-known international periodicals (*Vogue*, *The Tatler*, *Private Eye*, *Paris Match*, *The New Yorker*, *Newsweek* etc). It covers world political and historical events such as the Russian revolution, the Spanish Civil War, Hiroshima, and the fall of the Berlin Wall, and presents the great political and historical characters of an epoch. Iconography can be propaganda, satire, fashion or plain reporting of events. The visual rhetoric of a fast-moving century provides for some startling conclusions - that the most widely featured woman of the entire period was Sophie Loren, the man - Churchill. This is a panoramic view of twentieth-century life and society; a resume of great sporting events, of rock stars, political leaders and other media heroes. Fashion and design trends will also be highlighted through the work of the greatest photographers and illustrators.

Microsoft FrontPage is a Web site creation and management tool that gives users everything needed to create and manage the Web site they desire, whether creating a personal Web page or a corporate Internet or Intranet site. Putting aside technical jargon, this guide teaches the user how to employ FrontPage in the shortest time possible.

The first study of the role of the newspaperwoman in American literary culture at the turn of the twentieth century, this book recaptures the imaginative exchange between real-life reporters like Nellie Bly and Ida B. Wells and fictional characters like Henrietta Stackpole, the lady-correspondent in Henry James's *Portrait of a Lady*. It chronicles the exploits of a neglected group of American women writers and uncovers an alternative reporter-novelist tradition that runs counter to the more familiar story of gritty realism generated in male-dominated newsrooms. Taking up actual newspaper accounts written by women, fictional portrayals of female journalists, and the work of reporters-turned-novelists such as Willa Cather and Djuna Barnes, Jean Marie Lutes finds in women's journalism a rich and complex source for modern American fiction. Female journalists, cast as both standard-bearers and scapegoats of an emergent mass culture, created fictions of themselves that far outlasted the fleeting news value of the stories they covered. *Front-Page Girls* revives the spectacular stories of now-forgotten newspaperwomen who were not afraid of becoming the news themselves—the defiant few who wrote for the city desks of mainstream newspapers and resisted the growing demand to fill women's columns with fashion news and household hints. It also examines, for the first time, how women's journalism shaped the path from news to novels for women writers. Twelve-year-old Delilah James is one of the top reporters at Brighton Junior Academy and dreams of becoming a Junior Global Journalist. But when an

international rival named Ava invades her newsroom and takes over her crush, Delilah finds an unlikely ally in the Debutantes - a.k.a. the Little Debbies.

Front Pages is an illustrated novel of the real world created by the painter Nancy Chunn. Every day of 1996 Chunn claimed as an artistic canvas the front page of the New York Times. Using specialized rubber stamps and bold pastels to enhance, eradicate, and alter images and text, she created a commentary - colorful, intense, smart, compassionate, visually explosive - on the year's events and the power of the press. When these artworks were shown at the Ronald Feldman Gallery in New York, they created a sensation. Chunn's treatment of the events we all lived through - the Presidential campaign, the crash of TWA flight 800, the wars in Chechnya and Rwanda - will strike an immediate chord in readers tuned in to the complex frequencies of a political world awash in images and news. Gary Indiana's interview with the artist provides lively and intimate insights into the artistic process as means of talking back to power and engaging with the world. Front Pages is being published to coincide with an exhibition of these works at The Corcoran Gallery of Art in Washington, DC, January 10-March 2, 1998.

One of the most influential families in American history, the Kennedys have had their lives documented by the media for the past 50 years. The Kennedys: America's Front-Page Family tells the story of this fascinating family through a collection of newspaper front pages gathered from the archives of The Poynter Institute. From the political rise and assassination of President John F. Kennedy to the final accomplishments and

passing of Senator Ted Kennedy, nothing paints a clearer and timelier picture of these historic events than the stories written by the writers and editors of the world's newspapers. A few of the events that are featured include JFK's declaration for the presidency, JFK's "man on the moon" address, the Bay of Pigs Invasion, the Cuban Missile Crisis, Robert Kennedy's assassination, JFK Jr.'s plane crash, Maria Shriver and Arnold Schwarzenegger's marriage, and Ted Kennedy's endorsement of Barack Obama during the 2008 election.

NEWSWOMEN: TWENTY-FIVE YEARS OF FRONT-PAGE JOURNALISM is an anthology of stellar work by 17 seventeen great female literary and investigative reporters whose newspaper writing has garnered awards over the past quarter century. Each chapter features a bio, a selected story, and an author's afterwords prepared especially for this book. A large percentage of college and graduate school journalism students are women. Yet textbooks and resource material available is decidedly male-centric. Working together with the staff of The Riveter, a magazine and website dedicated to long-form nonfiction written by women, The Sager Group has responded to a demand for affordable, female-centric textbooks and /anthologies. Two more anthologies of literary long-form writing are upcoming. NEWSWOMEN: TWENTY-FIVE YEARS OF FRONT-PAGE JOURNALISM includes the work of women journalists who wrote for top newspapers and alternative weeklies during the golden age of newsprint journalism. Featured are: Edna Buchanan, Christine Brennan, Jacqui Banaszynski, Deborah Blum, Teresa Carpenter, Athelia Knight, Corinne Reilly, Lane DeGregory, Diana Henriques, Andrea Elliott, Amy Harmon, Julia Keller, Dana Priest, Anne Hull, Loretta Tofani, Christine Pelisek, and Eileen Welsome.

For most of the front pages that follow, my inspiration has been twofold - to elaborate some touching story from my everyday life experience, however banal, and use it as a stepping stone to illustrate how we might more easily find God and be found by God in all things. Central to Ignatian spirituality is the belief that our world is transparent, reflecting constantly a God who works in the depths of everything. St Ignatius Loyola saw the world as very user friendly. For him every part of it, from the stars in the heavens to the flowers of the field, elevated his mind and heart to God. In Ribadeneira's Life of Ignatius we learn how even the smallest things could make his spirit soar upwards to God, who even in the smallest things is Greatest. At the sight of a little plant, a leaf, a flower or a fruit, an insignificant worm or a tiny animal Ignatius could soar free above the heavens and reach through into things which lie beyond the senses. (Life I11 5381) Seeking and finding God in all things works on the belief that God is already present in our world and it is our task to uncover his presence and help others to do the same. It is very different to the old, perhaps arrogant, concept of ministry which talked about

bringing God to the world.

Eileen M. Wirth never set out to be a groundbreaker for women in journalism, but if she wanted to report on social issues instead of society news, she had no alternative. Her years as one of the first women reporters at the Omaha World-Herald, covering gender barriers even as she broke a few herself, give Wirth an especially apt perspective on the women profiled in this book: those Nebraskans who, over a hundred years, challenged traditional feminine roles in journalism and subtly but surely changed the world. The book features remarkable women journalists who worked in every venue, from rural weeklies to TV. They fought for the vote, better working conditions for immigrants, and food safety at the turn of the century. They covered wars from the Russian Revolution to Vietnam. They were White House reporters and minority journalists who crusaded for civil rights. Though Willa Cather may be the only household name among them, all are memorable, their stories affording a firsthand look into the history of journalism and social change.
