Located just below the Mason-Dixon line, Maryland is flavored with both northern and southern culture and tradition. Defined by the largest estuary in the United States (The Chesapeake Bay), Maryland's historic sites/sights include capital city Annapolis and the U.S. Naval Academy, Muddy Creek Falls, and the running of the Preakness Stakes in Baltimore. Noteworthy residents include Harriet Tubman and Francis Scott Key. Shirley C. Menendez grew up in Staunton, Virginia, and graduated from Mary Baldwin College. She earned a master's degree in library science from Drexel University. Before joining the administrative staff of Georgetown University, she was a librarian in the Prince George's County Memorial Library System in Maryland and the Westchester Library System in New York. Shirley lives in Gaithersburg, Maryland, with her husband, who is also a writer. Laura Stutzman graduated from the Art Institute of Pittsburgh, and in 1984 formed a studio called Eloqui with her husband, illustrator Mark Stutzman. She has created imagery for books and magazines, corporations, non-profit organizations, and privately commissioned portraits. Laura teaches a weeklong camp each year for children grades 8 through 12 who are serious about art. She makes her home in Mountain Lake Park, Maryland. Complicating historical narratives associated with the history of lynching in the city of Salisbury, *The Silent Shore* explores the immediate and lingering effect of Williams's death on the politics of racism in the United States, the Black community in Salisbury, the broader Eastern Shore, the state of Maryland, and the legacy of "modern-day lynchings." *Maryland in Africa; the Maryland State Colonization Society, 1831-1857* *Maryland and Virginia Colonials* June 18th, 1778, to October 12th, 1778. As the children fall in lust and love, grapple with angst and battle the tides of New South politics, Coster ' s writing shines"—New York Times Book Review From the author of Halsey Street, a sweeping novel of legacy, identity, the American family—and the ways that race affects even our most intimate relationships. A community in the Piedmont of North Carolina rises in outrage as a county initiative draws students from the largely Black east side of town into predominantly white high schools on the west. For two students, Gee and Noelle, the integration sets off a chain of events that will tie their two families together in unexpected ways over the next twenty years. On one side of the integration debate is Jade, Gee's steely, ambitious mother. In the aftermath of a harrowing loss, she is determined to give her son the tools he'll need to survive in America as a sensitive, anxious, young Black man. On the other side is Noelle's headstrong mother, Lacey May, a white woman who refuses to see her half-Latina daughters as anything but white. She strives to protect them as she couldn't protect herself from the influence of their charming but unreliable father, Robbie. When Gee and Noelle join the school play meant to bridge the divide between new and old students, their paths collide, and their two seemingly disconnected families begin to form deeply knotted, messy ties that will*

shape the trajectory of their adult lives. And their mothers—each determined to see her child inherit a better life—will make choices that will haunt them for decades to come. As love is built and lost, and the past never too far behind, *What's Mine and Yours* is an expansive, vibrant tapestry that moves between the years, from the foothills of North Carolina, to Atlanta, Los Angeles, and Paris. It explores the unique organism that is every family: what breaks them apart and how they come back together.

“Ross Gay’s eye lands upon wonder at every turn, bolstering my belief in the countless small miracles that surround us.” —Tracy K. Smith, Pulitzer Prize winner and U.S. Poet Laureate The winner of the NBCC Award for Poetry offers up a spirited collection of short lyric essays, written daily over a tumultuous year, reminding us of the purpose and pleasure of praising, extolling, and celebrating ordinary wonders. Ross Gay’s *The Book of Delights* is a genre-defying book of essays—some as short as a paragraph; some as long as five pages—that record the small joys that occurred in one year, from birthday to birthday, and that we often overlook in our busy lives. His is a meditation on delight that takes a clear-eyed view of the complexities, even the terrors, in his life, including living in America as a black man; the ecological and psychic violence of our consumer culture; the loss of those he loves. Among Gay’s funny, poetic, philosophical delights: the way Botan Rice Candy wrappers melt in your mouth, the volunteer crossing guard with a pronounced tremor whom he imagines as a kind of boat-woman escorting pedestrians across the River Styx, a friend’s unabashed use of air quotes, pickup basketball games, the silent nod of acknowledgment between black people. And more than any other subject, Gay celebrates the beauty of the natural world—his garden, the flowers in the sidewalk, the birds, the bees, the mushrooms, the trees. This is not a book of how-to or inspiration, though it could be read that way. Fans of Roxane Gay, Maggie Nelson, and Kiese Laymon will revel in Gay’s voice, and his insights. *The Book of Delights* is about our connection to the world, to each other, and the rewards that come from a life closely observed. Gay’s pieces serve as a powerful and necessary reminder that we can, and should, stake out a space in our lives for delight.

The Climatology and Physical Features of Maryland

Proceedings of Grand Lodge of Maryland, A. F. and A. M.

Tucked between the larger commonwealths of Pennsylvania and Virginia and overshadowed by the political maneuverings of its neighbor, Washington, D.C., Maryland has often been overlooked and neglected in studies of state governmental systems. With the publication of *Maryland Politics and Government*, the challenging

demographic diversity, geographic variety, and dynamic Democratic pragmatism of Maryland finally get their due. Two longtime political analysts, Herbert C. Smith and John T. Willis, conduct a sustained inquiry into topics including the Maryland identity, political history, and interest groups; the three branches of state government; and policy areas such as taxation, spending, transportation, and the environment. Smith and Willis also establish a “Two Marylands” model that explains the dominance of the Maryland Democratic Party, established in the post-Civil War era, that persists to this day even in a time of political polarization. Unique in its scope, detail, and coverage, *Maryland Politics and Government* sets the standard for understanding the politics of the Free State (or, alternately, the Old Line State) for years to come. According to Gov. Robert L. Ehrlich Jr., “[The Maryland State Fair] is an annual opportunity as Marylanders to come together to celebrate the history, tradition, and charm of our State during the best days of summer.” The Maryland State Fair has continued the tradition of delighting Marylanders near and far since the late 1800s. Hosting governors to 4-H’ers, farm animals to farm hands, home arts to computer arts, the fair has always promised something for everyone. Fair favorites such as the sweet, intoxicating scent of warm cotton candy and the heartthundering excitement and majesty of Thoroughbred racing were as much a part of the Maryland State Fair 125 years ago as they are today. Readers can find it all in *The Maryland State Fair: Celebrating 125 Years. From Its Settlement in 1634 to the Year 1848*, with an

The history of the Enchanted Forest is one of magical beginnings. When it first opened in 1955, Ellicott City's storybook land became the first children's theme park on the East Coast. Young visitors could climb aboard rides like the Little Toot tugboat, Mother Goose and Ali Baba or encounter animals like peacocks and burros. Upon its closing in 1989, Marylanders who cherished memories of the Enchanted Forest were deeply disappointed. However, many of the park's beloved figures were moved to nearby Clark's Elioak Farm, where they were restored and displayed to the delight of new generations. Even today, the farm is a popular destination that evokes the whimsical spirit of the iconic park. Local author Janet Kusterer and Martha Anne Clark of Elioak Farm trace the park's history through vintage images and interviews with the Harrison family, former employees and visitors. Join Kusterer and Clark to rediscover the magic of the Enchanted Forest.
