

Pa Progressive Summit

When people should go to the book stores, search opening by shop, shelf by shelf, it is in reality problematic. This is why we offer the ebook compilations in this website. It will extremely ease you to see guide Pa Progressive Summit as you such as.

By searching the title, publisher, or authors of guide you in reality want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best area within net connections. If you wish to download and install the Pa Progressive Summit, it is entirely simple then, previously currently we extend the partner to purchase and create bargains to download and install Pa Progressive Summit hence simple!

Public spending is under threat and public libraries are suffering. At a time when libraries can play a critical role in supporting people facing difficult economic and social situations, the dominant conservative model of librarianship has nothing meaningful to say about the role and relevance of libraries. It offers more of the same, but no qualitative change so necessary today. It continues to maintain the myth that there is no alternative to its own policies and practices. There is thus an urgent need to alternative ideas and practices to address people's needs. The progressive librarianship movement is taking up this challenge. It has also been active in Kenya and Britain but its work is not widely know. The Kenyan movement differed from the others in that it grew within the underground political movement in the 1980s - the December Twelve Movement/Mwakenya. Using original documents, this book records this hidden history. In the process, it examines key concepts such as the role of libraries and the relevance of service. Linking library work with the wider social and political concerns, the book explores issues such as politics of information, the role of activism and "neutrality" in library work. It offers an alternative approach to librarianship, to the training of librarians and to organisational change to make libraries more relevant to people's lives.

Perspectives from Kenya and Britain, 1979-2010

Containing a Condensed History of Pennsylvania, of Erie County, and of the Several Cities, Boroughs and Townships in the County Also Portraits and Biographies of the Governor's Since 1790, and of Numerous Representative Citizens

In *The Security Archipelago*, Paul Amar provides an alternative historical and theoretical framing of the refashioning of free-market states and the rise of humanitarian security regimes in the Global South by examining the pivotal, trendsetting cases of Brazil and Egypt. Addressing gaps in the study of neoliberalism and biopolitics, Amar describes how coercive security operations and cultural rescue campaigns confronting waves of resistance have appropriated progressive, antimarket discourses around morality, sexuality, and labor. The products of these struggles—including powerful new police practices, religious politics, sexuality identifications, and gender normativities—have traveled across an archipelago, a metaphorical island chain of what the global security industry calls "hot spots." Homing in on Cairo and Rio de Janeiro, Amar reveals the innovative resistances and unexpected alliances that have coalesced in new polities emerging from the Arab Spring and South America's Pink Tide. These have generated a shared modern governance model that he terms the "human-security state."

ECIW 2009

A bold call for the American Left to extend their politics to the issues of Israel-Palestine, from a New York Times bestselling author and an expert on U.S. policy in the region In this major work of daring criticism and analysis, scholar and political commentator Marc Lamont Hill and Israel-Palestine expert Mitchell Plitnick spotlight how holding fast to one-sided and unwaveringly pro-Israel policies reflects the truth-bending grip of authoritarianism on both Israel and the United States. Except for Palestine deftly argues that progressives and liberals who oppose regressive policies on immigration, racial justice, gender equality, LGBTQ rights, and other issues must extend these core principles to the oppression of Palestinians. In doing so, the authors take seriously the political concerns and well-being of both Israelis and Palestinians, demonstrating the extent to which U.S. policy has made peace harder to attain. They also unravel the conflation of advocacy for Palestinian rights with anti-Semitism and hatred of Israel. Hill and Plitnick provide a timely and essential intervention by examining multiple dimensions of the Israeli-Palestinian conversation, including Israel's growing disdain for democracy, the effects of occupation on Palestine, the siege of Gaza, diminishing American funding for Palestinian relief, and the campaign to stigmatize any critique of Israeli occupation. Except for Palestine is a searing polemic and a cri de coeur for elected officials, activists, and everyday citizens alike to align their beliefs and politics with their values.
