With globalization and the growth of international trade on the rise, a true understanding of the laws and practices that govern international business dealings has never been more important. The Legal Side of International Transactions is an authoritative guide for executives and their attorneys on navigating the global marketplace and completing successful transactions, including cross-border acquisitions, investment in foreign companies, establishing a company presence abroad, and more. The eight seasoned attorneys in this book walk readers through the legal basics of international business and also provide insight gained from years of experience on the subtleties of the successful transaction. From exploring opportunities in growing

markets like China and Latin America to structuring contracts and selecting a jurisdiction for dispute resolution, this book covers a broad spectrum of issues facing both corporations with a longstanding global presence and those just beginning to contemplate opportunities abroad. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today as experts offer up their strategies for success in international transactions. About Inside the Minds: Inside the Minds provides readers with proven business intelligence from C-Level executives (Chairman, CEO, CFO, CMO, Partner) from the world's most respected companies nationwide, rather than third-party accounts from unknown authors and analysts. Each chapter is comparable to an essay/thought leadership piece and is a future-oriented look at where an industry, profession or topic is headed and the most important issues for the future. Through an exhaustive selection process, each author was hand-picked by the Inside the Minds editorial board to author a chapter for this book. This book is by: Bert W. Rein, Senior Partner, Wiley Rein & Fielding LLP— "Globalization: Faster, Cheaper, Bigger" ; William M. Barron, Senior Partner, International Litigation, Alston & Bird LLP— "Representing Foreign Clients in Complex U.S. Litigation" ; Joseph W. Kimmell II, Chair, International Practice, Baker & Daniels LLP— "China: Strategic Planning for the Mid-Sized Company" ; Timothy J. The Prospects for Political Renewal Through the Internet Taking a multidisciplinary approach that they identify as a "cyber-realist research agenda," the contributors to this volume examine the prospects for electronic democracy in terms of its form and practice--while avoiding the pitfall of treating the benefits of electronic democracy as being self-evident. The debates question what electronic democracy needs to accomplish in order to revitalize democracy and what the current state of electronic democracy can teach us about the challenges and opportunities for implementing democratic technology initiatives.

1 Looseleaf Volume. Forms. Index. Updated Annually. One of the key components of success in litigating products liability cases is taking effective discovery depositions. Products Liability Depositions is a book entirely devoted to the subject of how to go about preparing for and taking depositions that will provide you with the necessary materials for building a successful case. The book contains sample depositions from actual cases that illustrate the many techniques that can be used to develop useful testimony. It also provides practical and time saving suggestions on how to prepare for taking the important depositions in a products liability case. The book also provides a handy source of quick information regarding the legal doctrines that apply to products liability cases. There is a section briefly describing the substantive law applicable to products cases from each of the 50 states. This section allows quick access to answers such as what affirmative defenses are available to a strict liability claim in a given state. This section alone makes this book a necessary addition to any products liability lawyers office library.

Jewel thief, motorcycle gang member and President Reagans bodyguard. These are some of the jobs Jim Silvania has encountered throughout his 32 years of investigative experience. Before working as Chief Investigator for the law firm of Porter, Wright, Morris & Arthur for the last 15 years, Jim worked with the Columbus Police Department for 17 years, 13 of tem as a detective in the Intelligence Bureau investigating organized crime throughout Ohio. Along with his police department experience, he was an assistant professor at Columbus State Community College where he taught law enforcement for 14 years. While working for the Columbus Police Department Jim experienced many dangerous and exciting assignments. One of his most memorable was when he was Ronald Reagans bodyguard in 1984 when Reagan was campaigning in Ohio for President. He was also the bodyguard for Israels Premier Defense Minister in the late 70s while he

was visiting Columbus. Jim has also gone undercover to expose the national motorcycle gangs and thieves for various felonies. He became a fringe member of the Dayton, OH based Outlaws motorcycle gang, where he helped bring charges against them for murder, drug trafficking and receiving stolen property. He has also gone undercover with a group of jewel thieves to expose their operation. For the past 15 years Jim has lead a less hectic lifestyle as Chief Investigator for the 270 attorney Columbus, Ohio based law firm of Porter, Wright, Morris & Arthur. He serves as the Executive Director of the Ohio Association of Security & Investigative Services and is a member of the Association of Certified Fraud Examiners, as well as the National Association of Legal Investigators. He has a Masters Degree in Criminal Justice from Xavier University, a BA (cum laude) in Law Enforcement from Park College and an Associate of Applied Science in Law Enforcement from the Columbus State Community College
